Reception (Unlimited time till midnight, \$150 per hour after midnight) includes: Travel (within 25 miles of Bozeman), full sound, lighting, full access to the 85,000+ song library and as many phone or in-person consultations needed. Wait, did you say this price includes unlimited time until midnight? That is correct. After midnight it is \$150 per hour. You can find cheaper quotes, but they are most likely only for four hours, and we have yet to attend a four-hour wedding. Most weddings in the Bozeman, Montana area are 5-8 hours long so our simple pricing won't leave you gasping when you settle up. DJs must be protected from the weather rain or shine; a \$40 10×10 pop up rental will be applied to the final balance if the DJ has to bring a shade tent.

Lighting: Smart LED dance lights are included with Bozeman DJ. After years of experience, we understand that great lighting is a key component to creating that great dance floor atmosphere and it shouldn't be something a customer pays extra for.

Ceremony services include: 1 wireless lavalier mic for the officiate, 1 wireless mic on a stand for readers (additional 3rd mic is \$35 each includes larger mixing board), music as guests arrive, wedding party entrance song, bridal party entrance song, and recessional song. Example of extra mic rentals. If your ceremony entails two guitarists who will be signing, then it's recommended to rent 2 extra mics on stands if you already plan to use the lav mic (officiate) and the wireless mic (readers, or vows).
