At your wedding, our main concern is telling your story.

We want to create the best film possible, and that's why we don't make it complicated with multiple levels of coverage. Your wedding day, from beginning to end, is full of moments just waiting to be captured -- and we intend to do just that.

## **THE WEDDING FILM - \$3,000**

From the preps to the reception festivities, we'll be there to capture your full-day experience. You are able to relive your wedding memories with a cinematic Wedding Film (average running time of about five minutes). This movie consists of a perfect mixture of live dialog and is complimented by a custom-created film score.
