MEET TRACEY & MARTIN

Hello! We are Tracey and Martin the husband and wife photography duo full of love & fun vibes. We find our greatest fulfillment in working with others to make art and live out the joy of life. Our passion is delivering timeless photographs that represent our clients relationships and everything that makes it special, from little quirks and shared hobbies to geeking out, we get what makes each couple unique.

based out of south florida, we've been shooting weddings for over 14 years now. it is crazy to think of where we got started and how much we've grown!

Our love story and paths to becoming known as the fun photographers are not so different. We went to school together (Martin readily helping me carry art supplies cross campus). We even had a brief (though it felt like forever) long distance relationship while I was away studying photography at the Fashion Institute in New York City. In the meantime Martin continued pursuing his psychology degree.

When I returned from NYC, a new chapter began. One day, a conversation changed everything. After years of supporting my photography and creative talents, Martin suggested we take a leap of faith and trade crime scenes for love stories full- time.

And, wouldn't you know it, that's exactly what happened.

KEEP UP WITH OUR LATEST ADVENTURES

## *frequently asked questions*

YOU HAVE QUESTIONS. WE HAVE ANSWERS.

### *Q: What sets you apart from other photographers?*

A: we take all of our photos in intimate, relaxed settings and try to use natural lighting as often as possible. our sessions are candid & fun!

### *Q: How many photographers will be there at our wedding?*

A: most of our wedding collections come with one photographer, although you can always add on a second photographer for an additional cost.

### *Q: Can I choose a package now to lock in the date and change it later?*

A: yes! you can always upgrade your package at any time. we get booked pretty early, so we recommend booking your favorite photographer 10-18 months in advance.

### *Q: Do you photograph elopements?*

A: of course! depending on availability and the number of hours you have set aside for photography, we have special rates for weekday weddings and elopements.

### *Q: Do you offer albums and should I get one?*

A: absolutely! we believe that as photographers our job would not be complete unless you have a tangible record of your wedding day. our albums are designed with some of your favorite photographs and handmade by a local family owned company.

### *Q: How do we reserve our wedding date?*

A: a 50% deposit and signed contract is required in order to get your wedding day on our calendar. two weeks prior to your wedding, the remainder of the balance is due.

## *have another question?*

SEND US A MESSAGE! WE ARE HAPPY TO HELP!

### *Q: We're having a destination wedding. Do you travel?*

A: yes! we love destination weddings and have been lucky enough to travel all over the world shooting weddings. send us more information on your travel plans, and we will create a custom wedding collection to suit your needs.

### *Q: Do I have to order prints through you?*

A: we highly recommend ordering prints through our professional vendors, but it is not required. the difference in quality is huge when it comes to ordering through a professional lab, so we encourage clients to let us help with prints!

### *Q: What equipment do you use?*

A: we use all professional Nikon equipment. All our cameras and lenses have a backup in the rare event that anything should happen to one of our pieces.

### *Q: Will we get the print release to our photos after our wedding?*

A: yes! upon receiving your images, you will also get a full print release.

### *Q: Do you have a list of preferred vendors to use?*

A: we sure do! from wedding coordinators to florists and caterers, we have worked with some of the best companies in the industry and would love to share their information with you!

#### STYLE TIP:

---

*While it is great to complement your future spouse in photos, by no means do the two of you need to wear matching outfits.*

*Bring multiple options for outfits to the shoot! It is always good to have choices. Be creative, and let your unique personality shine through!*

## *wedding day tips*

---

gather all your details before the day starts so i can photograph them quickly! this makes the getting-ready portion of the day go by much more smoothly, and it allows me to spend more time focusing on the spontaneous moments when everyone is together.

here is a list of ideas: rings, jewelry, invitations, flowers, hair pieces, shoes, socks, cuff links, perfume, letters, pictures, gifts, cultural items, programs, printed pieces, and any unique items you treasure!

---

## LITTLE DETAILS COUNT

---

some of our couples' favorite images from their wedding day end up being the detail shots that are taken throughout the day. details help tie everything together and tell the story of behind-the-scenes moments.

*Think about getting a wooden hanger for your dress. They photograph well and are great keepsakes for years to come.*

REMEMBER TO RELAX AND ENJOY THE DAY!

A bride in a white, strapless, floor-length gown is sitting on a white ornate bench in a room. She is holding a bouquet of flowers and looking down at them. The room has a window with a decorative frame and several plates hanging on the wall. The text is overlaid on the left side of the image.

*“They are the friendliest couple out there and immediately made us feel at ease. They worked tirelessly on the day of our wedding to make sure things went smoothly for us.”*

-LAUREN & LUKE
