# testimonials

*I met with the sales and marketing team at the venue. The moment I walked up to the venue I was in love! It's absolutely amazing and beautiful and can't wait to marry the man of my dreams here! I love how basically all my needs are at Heritage shores besides the photographer, videographer, etc! Thank you Heritage Shores!!!*

*If you need a venue, I wouldn't look anywhere else!  
Aimee M. 10/23/2019*

*My husband and I had our wedding at Heritage Shores on August 3rd. We planned our wedding in 5 short months. We cannot say enough about how incredible the staff was throughout the entire process. They took care of everything. They were consistently patient and positive. They made planning easy and as stress free as a wedding can be. We brought all of our decorations the day before and the amazing staff listened to how I wanted everything decorated and took care of all of it. We didn't have to do anything which was so helpful. Our wedding day was beyond perfect. It was beautiful. They had a huge bridal suite for us to get ready in. The staff checked in on us all day and brought us everything we needed. They even had a steamer for any last minute wrinkles. Our suite attendant was so sweet and accommodating. Our ceremony was outside under the gazebo. The space accommodated our guests (135). Everyone fit comfortably and intimately. When it was time for pictures, they had a golf cart with a driver to take us around the grounds to get the most amazing photographs I've ever seen. ( if you're looking for a photographer, Danny Bostwick is seriously THE BEST-look him up and thank me later) While we were getting pictures, they made sure our guests had drinks and food aplenty. The reception in the ballroom was gorgeous. We did minimal decorations and it was still a stunning area. We did a plated meal of beef and chicken cordon bleu and were told by all our guests how delicious everything was. When I say this was literally the best day of my life, I am not exaggerating. I was super nervous to have a large wedding because I'm typically a high stress person BUT the staff was so helpful and amazing, I felt relaxed and confident the entire time. If you're looking for a place for your wedding, I would highly recommend Heritage Shores. The grounds are beautiful, the ballroom is gorgeous (freshly painted, new carpets), the food was great, and the staff was five star. I cannot say enough about how incredible everything was.*
