INVESTMENT + PLANNING GUIDE

Nice to meet you!

Hi, I'm Skye, a wedding photographer based in the Catskills/Hudson Valley region. A Sullivan county resident and business owner since 2008, I have photographed hundreds of brides and families in the Hudson Valley, many of whom I've become friends with and have continued documenting their growing families year after year. My goal is not to just hand over digital files at the end of the day, but to leave with a connection to the bride and groom, one that will not only be reflected in the images from the day, but also hopefully bring us back together for all the future milestones in their lives.

FIRST THINGS FIRST

Congratulations on your engagement!!

Now the fun begins!

I know there are a ton of photographers out there and it might be overwhelming to choose, but let's chat over the phone or over coffee and see if we are a good fit! If you think we are, then the next step is to have an engagement photo shoot! This is where I show you how fun getting your pictures taken can be, how it's not as stressful as you think, and to get a preview of what killer photos you'll have on your wedding day!

Below you will find information on what we offer, but each client is different, so if there is something you want to add or remove, we can customize a package just for you.

IT FELT LIKE WE WERE HANGING OUT
WITH AN OLD FRIEND, WHICH REALLY
HELPED US TO RELAX AND ENJOY. SHE
CAPTURED SOME BEAUTIFUL MOMENTS
AND I'M SO GRATEFUL TO HAVE THOSE
MEMORIES. ~KM

Skye has such a positive, undemanding
energy that she made us feel like naturals!
As we looked through our wedding photos
it instantly brought us back to that day, and
all the emotions we felt...absolute joy! ~

MW

Skye's confidence in what she does takes a lot of stress off of the day. She seemed to understand what we imagined so well and produced photos that were more beautiful than we could have ever imagined. ~ AC

Frequently Asked Questions

HOW DO PAYMENT SCHEDULES WORK?

A 25% deposit is required at time of signing the contract. 3 months prior to your wedding date another 25% will be due, and the balance due the day of the wedding. Payments can be made by check or credit card.

DO YOU OFFER PRINTS AND TANGIBLE ALBUMS?

YES! Each gallery has print options for purchase. We also offer canvas prints, Thank You cards, and our Fine Art Albums are available in over 50 leather, vegan leather, and cloth covers, starting at \$350.

HOW DO WE RESERVE OUR DATE?

Choose a package. Sign a contract. Complete deposit invoice. The date is yours!

WHO IS YOUR SECOND PHOTOGRAPHER?

I am so fortunate to have a close group of fellow photographers who I also call friends. We play together, eat together, travel together, and work together. Our values, styles, and experience are all similar and we work seamlessly as a team.

CAN WE SEE A WEDDING FROM START TO FINISH?

Yes!! This is one of the most important questions to ask your photographer. You want to make sure that I know how to take the best photographs in any situation, not just when there is perfect lighting and perfect subjects.

HOW DO FAMILY PHOTOS WORK?

Family photos are super important, but can also be chaos if not done correctly. With my help in preparing a family photo list, most sessions can be completed in 15 minutes.

DO YOU HAVE INSURANCE?

Absolutely and I am happy to provide proof to each client and venue.

WHAT IF WE HAVE TO RESCHEDULE OUR WEDDING?

We do everything we can to work with you in rescheduling. We know that the fact that you had to reschedule was most likely because of circumstances beyond your control, and we do not charge a rescheduling fee.

Can't wait to go on this adventure with you!
