# WE'VE WON WEDDING WIRE'S COUPLE'S CHOICE AWARD FOR BEST VENUE FOR BOTH 2014 AND 2015. HERE ARE SOME TESTIMONIALS FROM SOME OF OUR HAPPY COUPLES

Marie , Mark , and Lindsay are amazing people!!! The Rapids is a beautiful venue like no other. There is no other place in WNY that is more elegant and perfect than the Rapids theatre . We had our dream wedding !!!!-Rachael 12/13/14

Please consider The Rapids Theatre as your Wedding Venue. I never expected to be this pleased with the dedication and service that Rapids' provides. Not only is the Theatre gorgeous and great for pictures, the staff is extremely friendly and supportive. I was very relaxed the day of my wedding because they took care of everything. I didn't have to worry about a thing. They took responsibility of the schedule and making sure my event was everything I wanted it to be. Rapids went above and beyond what I expected. At times, I felt like I was working with several wedding planners. They give you great advice, and my planning was stress-free. Please consider them for your event!- Danielle 12/07/13

If you'd like a stand-out, take your breath away, absolutely amazing venue then the Rapids Theatre is the place to go. They take care of everything, so all you need to focus on is enjoying your special day. An added bonus is that the venue's set up makes beautiful and unique photography and state of the art sound a given.  
Yasmin- 11/30/13

This is Western NY's best wedding reception venue BY FAR! It is beautiful, vibrant, elegant, and perfectly laid out for the reception of your dreams. And it isn't the cookie cutter reception hall you're so accustomed to. What's more is that they have made the perfect team with their exclusive caterer, Rich's Catering. I'll be honest, when I pulled up outside for the first time at this venue in Niagara Falls, NY, I was skeptical. The area isn't the greatest because of how blighted that city is in general. (Although the police station is right next door, so it is totally safe!) But that made the surprising beauty and elegance of the interior of the venue that much better! Marie, the owner, thinks of this place as her baby and personally attends each reception to make sure everything goes without a hitch. Between Marie and Steve (from Rich's), every detail is perfectly coordinated and so impressive! It's like having two wedding planner/coordinators included in the price of the venue/catering. If I could do it all over, I would, because I had such a wonderful, relaxed time at our wedding! But obviously, I would stick with my decision to use Rapids and Rich's! They were delightful. Even down to the small details of the entire staff being attentive and making sure we always had a drink in our hands so we didn't have to break conversation or leave the dance floor, even without asking. Everything from large details like decor to small items like place cards were exquisitely done. On top of all this, your DJ gets to plug into the concert quality sound system (this is also an amazing concert venue), you get a lighting engineer, AND a sound engineer, all to make sure everything looks and sounds amazing on your big day! I can't say enough about The Rapids Theatre, Rich's Catering, Marie Hutchins, or Steve Guagliardi. Our day was perfect, and I wouldn't change a thing. Don't book anywhere until you've seen this place for yourself! DocBright- 9/28/13

I can't say enough about Marie and the staff at The Rapids Theatre. From the first phone call to the day after, when we were on the hunt for a lost cell phone, they were amazing. As a long distance bride I had to be very trusting of my family and the event folks. Marie went above and beyond to make me feel calm and that everything was under control. She was quick to respond, even if the questions were minor. That day she personally held my train and made sure I only had to sit back and enjoy myself. We had a guest lose a cell phone and the staff was kind enough to answer their phones early the morning after and retrieve the phone during their clean up. They could have easily just ignored our calls, but they didn't. On top of the service, everything is included there. Parking, catering, wedding planner, lighting (and as an entertainment professional I can say the lighting system is top notch, very high end.) the sound was our DJ's dream and tables/chairs. All included in the rental! Oh did I mention the ceremony, cake cutting and dancing being projected onto big screens either side of the stage? Yea seriously. That was amazing for the older folks with bad eyesight and come on, we've all been to weddings where you can't see any of that. You're just trying to peek between the heads of everyone trying to snap photos. If I had another wedding, well let's hope not!, I'd have it at The Rapids Theatre. Perhaps we will do a vow renewal a few years down the line. Go there. meet them, I guarantee you will leave with a smile and a wedding date. Emily-8/16/13

The image shows the interior of a grand, ornate theater. The ceiling is highly decorative with intricate patterns and a large central circular opening. The walls are also ornate, and there is a balcony level. In the foreground, a table covered with a white cloth holds a multi-tiered white wedding cake. The room is set up for a wedding or special event, with tables and chairs decorated with white and red. The text "THANK YOU FOR CONSIDERING" is overlaid in the upper center.
