# MASTER ARTIST ALBUMS

Our Master Artist Albums are breathtaking handmade books that are guaranteed to last up to 200 years. Wrapped in gorgeous leathers or silks, the buttery, soft papers showcase your wedding and portrait images with beauty and depth that far surpass anything you can find on the retail market.

Imagine setting your album upon a book stand with the prints spanning across both pages with almost invisible folds. You'll have everchanging art in your home to take you back to your special day time and time again.

Let us create a truly unique piece of art to have in your home for the rest of your lives. We make the entire process a breeze with an initial custom design, 2 rounds of free changes, and a simple digital review process. And if you add your book to your package before the wedding, you'll receive a significant discount!

You can expect your album design to be around 80-90 pages for a wedding. Engagement albums, bridal albums, and boudoir albums can be anywhere from 30-50 pages.
