

Spout Spring Estates

Our price is a flat rate of \$2250. This includes the venue for Friday, Saturday and Sunday. Friday is used for decorating, rehearsal and rehearsal dinner. We have a room for the bridal party to use on Saturday – for hair, makeup etc. We close it off from the rest of the house with access from the pavilion. There is a loft area for the groom and groomsmen to change. The house is not open to guests. Sunday is the day you will need to have someone clean up. **We only book one wedding a weekend. Our mission is for you to have a relaxing wedding.**

You are responsible for the photographer, caterer, and table and chair rental. A list of vendors that have been successfully used can be provided, but you are free to use anyone you want.

We do live here and the room that the bridal party uses is our master bedroom suite. There is access from the pavilion directly into that room. It is yours to use for the day of your wedding.

You are welcome to serve wine and beer. If you serve wine it must be Spout Spring Estates wine. We will give a 20% discount and take back what is not opened if you wish unless it is custom labeled with your personal information.
