1. A Summary of the Contract

The photographer is responsible for providing for the client a photographic service and products as detailed in section 2 ('coverage'). The client undertakes to engage the photographer for this coverage for the price as detailed in section 3.

2. The Coverage

Coverage will be provided by the photographer as follows,

Wedding date: _____

Coverage to commence at: _____ Coverage to finish at: _____

Wedding location: _____

Other locations where coverage is required: _____

3. Payment Arrangements

The client will pay the photographer a total fee of \$_____ subject to the following terms:

A **\$200** deposit to secure the date and payable on execution of this agreement. This deposit is non-refundable or transferable in the event of cancellation, it being the agreed loss suffered by the photographer due to cancellation.

Payment of the balance of \$_____ no later than one month before the date of the wedding.

Cancellation less than 12 weeks before the date of the wedding will require payment in full. All cancellations must be in writing. The cancellation conditions above will apply for postponed weddings if the photographer is not able to re-schedule for the new date and time. The fee for postponed weddings is subject to change.

Any additional payments for albums and other services are to be made when that order is placed. Prices for orders placed over one year after the date of the wedding may be subject to change. This included orders included in the initial wedding package.

4. Copyright

The entire copyright in the photographs is retained by the photographer at all times throughout the world. Where a disc of photographs has been provided to the bride and groom as part of their wedding collection, these photographs may be printed, and displayed online, for personal but not commercial use. The photographer retains the right in all cases to use the photographs in any manner at any time and in any part of the world for the purposes of advertising or otherwise promoting his work.

5. Image Size, Color, Style and Composition

All image sizes are approximate. The photographer will provide a pleasing color balance but cannot guarantee exact color matching. It is sometimes not possible to record on film or in print the exact color as seen by the human eye. There is no right to reject on the basis of style or composition.

6. Delivery of Product

The number of finalized images that you receive will be based on the coverage of your day. Our standard product is 300-400 finalized images on your disc. This number may be fewer in certain instances. These

instances will be discussed during your consultation. The photographer will let you know during the consultation if they foresee you receiving less than 300 images. The final product will be delivered within 6-8 weeks during non-peak season, and within 8-10 weeks during peak season. Under no circumstances will we give clients RAW images.

7. Attendance

In the unlikely event of the photographer is unable to complete the coverage due to unforeseen circumstances, the photographer reserves the right to appoint another photographer to attend on his behalf to undertake the photography.

Due to the commitment to weddings at the weekends, engagement/pre-wedding portrait shoots are arranged Sunday to Friday. The location of the engagement/pre-wedding portrait shoot is within 25 miles of the Fraley Memory Productions studio. Otherwise, a charge may apply.

Additionally we ask that any FMP employees who are in attendance of your wedding are fed while dinner is being served.

8. Indemnity

The photographer agrees to indemnify the client against all expenses, damages, claims and legal costs arising out of any failure by the photographer to obtain any clearances for which he was responsible in respect of third party copyright works, trade marks, designs or other intellectual property. The photographer shall only be responsible for obtaining such clearances if this has been expressly agreed before the day of the wedding. In all other cases the client shall be responsible for obtaining such clearances and will indemnify the photographer against all expenses, damages, claims and legal costs arising out of any failure to obtain such clearances.

9. Limitation of liability

In the unlikely event of a total photographic failure or cancellation of this contract by either party or in any other circumstances, the liability of one party to the other shall be limited to the total value of the contract. Neither party shall be liable for indirect or consequential loss.

The undersigned have read and understood the above contract and agree to the terms and conditions in their entirety.
