

Fairhill Farm Basic Wedding Package

Fairhill Farm offers an unsurpassed, affordable rural wedding venue. The property is stunning and the mountain views are spectacular.

The basic wedding package includes a brilliant white, pole tent with perimeter lighting; VIP porta potties; power and water at the site; parking with lighting as well as a parking attendant; and artfully done, rustic signage to direct guests. My staff and I will also be onsite for the event to direct vendors and assist as needed.

You will have access to the venue for 48 hours which will allow for the rehearsal; a rehearsal dinner if desired; prepping for ceremony and reception; the ceremony and reception and a day-after brunch if desired.

The basic package also includes two nights accommodations for a total of six (an \$800 value) in our two elegant Fairhill cottages located on our main 140 acre Fairhill Farm: our two bedroom Carrie's Cottage vacation rental, which accommodates up to four guests, and our Carriage House Studio, which accommodates two. The wedding party uses the two cottages for prep and dressing.

Our three bedroom High Fields vacation rental located on our adjacent 130 High Fields Farm, which accommodates up to seven guests, can be rented if desired and available. Both farms have stunning mountain views.

The rate for the basic package will depend on the number of guests, which dictates the minimum size tent, the number of porta potties and the facility fee. An event at Fairhill Farm for fifty guests would start at \$2770 plus tax. It includes a 30' by 30' tent and two VIP porta potties as well as the lodging and items indicated above

Also, included in the package are one pre-contract and two post-contract planning visits with owner and staff. We will painlessly walk you through the selection and configuration of chairs, tables, linens, extra lighting options, etc. for your event and arrange for their rental. We will provide a CAD design of the tent layout to facilitate your selection.

We do all in that is possible to assure that your day is special and memorable and exceeds your expectations.
