

### **Things to Consider:**

The amount of time you need a photographer is dependent on the timeline of events during your wedding day. I do not want you to purchase more time than you need. I will help you with your timeline, photo lists and requests, and all details of the day that include photography coverage and we have a great wedding day schedule to work from. Most clients find the 6 hour package a great fit for their timeline and their budget.

### **Every Package Includes:**

- Flash Drive of high resolution images
- Self printing rights for all images
- Wedding day event schedule planning
- Shelley & 1 assistant/photographer
- Engagement Shoot
- Post-production color adjustments of all images
- A web link to your wedding day images
- Additional time to any package \$300/hr
- On line ordering from my pro lab
