- Q: "How long until I get a first peek at my photos?"

A: Right away. With the same-day slideshow, you'll get a first glimpse of your wedding photos immediately after dinner. I also upload these preview images to your on-line gallery a few days after. Turnaround time for weddings is 6-8 weeks. For Engagement Sessions, turnaround time is 2 weeks.

- Q: "How would you describe your style?"

A: That's a difficult question and I don't want to put a label on it. I'm influenced by photojournalism, music, & impactful commercial photography. Most importantly I am influenced by my couples and their unique chemistry.

- Q: "How many weddings do you do a year?"

A: I try not to shoot more than 20-25 weddings per year so that the right amount of attention can be given to each couple.

- Q: "Do you retouch?"

A: Yes, blemishes be gone.

- Q: "Are you available for travel?"

A: Yes, I am available for travel, please contact me at the email below for a custom quote.

"Ok, I want you to be our wedding photographer, what do I do next?"

- 1.) Contact me and we will setup an appointment:
- 2.) In order to reserve your wedding date a 50% deposit is required (check or CC) with a completed wedding photography agreement.
- 3.) Once your date is locked, get excited.

"I am beyond floored right now. Karlo, you sir, are a wizard. I can't even so hard right now...it's intense. To capture the true spirit of a day, the soul of an occasion.. .to immortalize joy and love. You did all that and more. Thank you so much, for these amazing memories. You rock your calling." - Anita (*Baltimore, MD*)

"I would recommend Karlo on every wedding site on the interwebs if it was possible"
- Gina (*Deep Creek Lake, MD*)

"I always tell my clients that a good personality is an important trait in a photographer. Your wedding photographer will be following you around all day on your wedding day so if you don't "click" it can make your day uncomfortable. Karlo has a great personality and he really takes the time to get to know his couples so come the wedding day it's like having a friend with you. Plus...he takes amazing photos! You can't go wrong!"
