### Why Choose PortaPixie For Your wedding or Event?

If you're looking for fun, unique, and professional photo booths for your wedding or special event, PortaPixie is the best choice! Our photo booths do some amazing things like video slow-mo, GIFs, filters, custom photo templates, and much more. Plus, our photo booth packages are affordable. We can even include a professional, wireless printer depending on the package you choose. Currently, we offer three photo booths: **Mr. Selfie**, **Orbit Booth**, and **Barney Booth**.

Each package comes with a human attendant to ensure smooth operation during your event. A bonus is the virtual photo booth app. If you have family or friends who can't be at your wedding or event, this app is a great choice to share your day.
