

Wedding Packages

I wanted to keep my pricing very simple. Everyone's wedding is a special experience, and no general packing is going to answer all of your needs. So I offer you ONE 'Custom Package.' From there you can add on everything else you could possibly want. I think by the price of the 'Custom Package' I offer, that I am very reasonably. I also TRAVEL!

-cc

Custom Package

\$2000

*One Professional Photographer
Maximum 7 hours of shooting time
Unlimited Location Coverage
