

MAKING MEMORIES ONE SONG AT A TIME

From the very first consultation, to the last dance, our experienced staff will deliver your music, announcements and all other formalities with precision and care. Working with you and your vendors, we will make your wedding dreams come true!

Music selection can make or break any event. That being said, our music library includes Top 40, Rock, Country, Oldies, Jazz, Disco, Latin and Easy Listening. We will also tailor our music library to your needs! We will meet with you and include no fewer than two personal consultations!

With more than 15 years experience, we know that anything is possible with proper planning and communication. ACDJs is a fully-insured entertainment company. We look forward to becoming a part of your Big Day and offer you our pledge of Great Care, Always!

WOW your guests with dual 50" LED Video Screens!

Allow us to create a custom video slide show for you and your guests. This presentation will deliver a unique, elegant and professional addition to your celebration. We will arrange timing that best suits your time line. Our video screens will display your monogram during down time. When its time to party, the video displays will be used to play music videos! A copy of your video is yours to take home on a thumb drive, along with any photos we take throughout your event. Add this feature to any of the above packages starting at \$495.
