

Voss Weddings

For all of your wedding reception needs (DJ, Photography, Videography), I provide the best and most professional services in the Northern Virginia area.

Voss DJ Service

Voss DJ was nominated by WUSA Channel 9 as one of the “Best DJ Service in the D.C. Area” in 2009 and won *Wedding Wire's* Bridal Choice Award in both 2010, 11, 12, 13, 14 and 2015. I'll ensure that your corporate event/Wedding Day is the smoothest, most memorable occasion of your life.

If you choose Voss DJ Service this is what you'll receive:

- What sets me apart from all other DJs is that I can sing Sinatra/Michael Buble' style songs, giving your cocktail hour or dinner portion the elegance it deserves. In addition I can play classical guitar for your ceremony, cocktail hour or dinner .
- A tuxedo-clad DJ, who will act as your Master of Ceremonies.
- The most extensive offering of music available to fit your needs.
- State of the art sound systems – I will set up in 3 different locations if needed at no extra charge.
- Dance Lighting (uplighting can be provided but is an additional charge).
- I will coordinate your reception schedule to ensure your special day goes as planned, and that the music you want to have played, will be played.

Voss Photography

By the next morning after your special day your “best of” wedding photos will already be up on my Facebook page for you to tag and share. That way the BEST pictures of your day will be seen online rather than the “phone” shots that your friends took. Please just go to our website or Facebook page (Voss Weddings) for examples of our previous work.

Voss Videography

In less than a week after your wedding I will have a “highlights” video posted on Facebook for you to share with and friends and family that couldn't make it, and also for your guests to reminisce about your special day. Most highlight videos are about 6 to 7 minutes long. I will then mail you a DVD of the highlights video, along with all of the raw footage taken of your day. Again, please just go to our website or Facebook page for examples of our previous work.

Pricing

Normal DJ pricing is approximately \$325 per hour. There are no additional costs for multiple set up locations, singing, guitar, travel, set up time, etc. If you include photography it is additional \$1,200 and videography is an additional \$400. Which means you will SAVE THOUSANDS of dollars compared to other vendors if you choose a package deal. Also, mention Potomac Point and receive a 10% discount on total price!
