

Weddings at the Yew Mountain Center

The Yew Mountain Center is a great place to spend time with family and friends for a rustic wedding in a stunning natural setting. With wedding packages that range from \$500-\$1400, (lodging and camping included) we are an excellent value. Your family and friends will love this peaceful, remote, and beautiful location. Income we earn from weddings supports our outdoor experiential education programs and forest stewardship.

We have seating for 40 indoors. Chairs, tents, tables, linens, flatware, etc. will need to be rented for outdoor events. Our staff can prepare rehearsal dinners and meals for small weddings in-house. We can suggest excellent local catering options for larger groups. We can also recommend musicians, photographers, and officiants.
