

MKUZMA DESIGNS

CREATING UNFORGETTABLE
WEDDING FLORAL

MKuzma Designs provides complete creative direction for your event from bouquets, centerpieces and ceremony florals to tablescape, statement floral, and fireplace installations. We hand pick the freshest and finest blooms for each event and ensure every detail reflects you and your aesthetic.

Not only can we provide a wide variety of floral decor, but we can provide non-floral design elements such as specialty vases, candles, arches and pedestals. We have also cultivated relationships with vendors who can arrange chair rentals, linen rentals and specialty draping.

MKuzma Designs does not have a "one size fits all" philosophy and believes you should be expressed in every piece created for your day. It is important to us that your event is our main focus and we pride ourselves on the highest level of service. All events are customized by style, flower selection, season, and quantity with minimum floral orders starting at \$3,000.
