

## The only package you'll ever need.

Through my years of experience I have found the happiest couples and the best collections have but one thing in common and that is a full day of photography. For a day that comes along once in a lifetime you deserve to treat yourself to nothing less than the best. See package details on the next page.

## Elopement \$1000

- A day of photography for capturing you getting ready, all the details, the ceremony, the creative portraits and the formal portraits
- Full Resolution Images with exposure, alignment & color correction
- Personal Online Gallery to download your images as well as share them with friends & family.
- Full Print Release (allowing you to print personal prints however and wherever you'd like)
- Custom USB Drive
- On-Location Lifestyle Engagement Session (less stiff poses and more natural moments)

\*If outside the state of Kansas the following expenses will also be included: Round Trip Flight & \$500 allowance for auto rental and hotel

## Wedding \$2000

- A day of photography for capturing you getting ready, all the details, the ceremony, the creative portraits, the formal portraits and the events of the reception (reception limited to 3 hours unless otherwise agreed upon which may alter the pricing of the package)
- Full Resolution Images with exposure, alignment & color correction
- Personal Online Gallery to download your images as well as share them with friends & family.
- Full Print Release (allowing you to print personal prints however and wherever you'd like)
- Custom USB Drive
- On-Location Lifestyle Engagement Session (less stiff poses and more natural moments)

\*If outside the state of Kansas the following expenses will also be included: Round Trip Flight & \$500 allowance for auto rental and hotel
