## THRESHOLD LEARNING CENTER

## ABOUT US

### THRESHOLD LEARNING CENTER (TLC)

is a non-profit organization offering programs in science, nature, and Iowa History. We invite you to re-connect with nature and a time when life was simpler. Upon your arrival, you will be greeted with a genuine smile and warm, freshly-baked goodies! You will find everything here casual, relaxed, and unpretentious. Open year-round, we have activities for every season. You may choose, however, to just relax in the barn, sit by the campfire ring, play board games, read, or take a stroll on one of our many trails.

Our Midwest hospitality will ensure that your vacation or get-together will be just as it should be.

### ATTRACTIONS

TLC is a great natural get-away, but it is also located close to several attractions: Iowa State University, River Canoeing and Tubing Outfitters, Reiman Gardens, water parks, Adventureland, arcades, our state capital, shopping, Nascar, a National Prairie Preserve and several state and county parks. Contact us and we'll help you build a memorable vacation.

## DETAILS

### ACCOMODATIONS

We have 2 campsites that can be rented. The sites are primitive and only tents are allowed.

For a smaller meeting or get-together, our Program Center may be the place for you. This building has a nice, open space and has heat and air-conditioning.

The upper-level of the barn, kitchen, dining hall/dance hall and stage are also available to rent for your party or meeting.

The entire site can be rented for your event as well. All bedrooms, both buildings, the site, and one activity are all included in the Site Rental Package.
