PHOTOGRAPHY

Hello there!

You're engaged, congratulations!

You are probably feeling a little overwhelmed, but don't worry. I'm here to help!

I believe that picking a photographer is one of the biggest decisions when planning your wedding day. I want you to look back at your wedding photos in 30 years and remember the way you felt in that very moment.

Knowing how important of a decision it is for you to pick me, I'm not *just* your wedding photographer. I'm also here for last minute wardrobe fixes, rounding up guests for group photos, making ridiculous faces to make the little ones laugh, helping you feel relaxed in front of the camera throughout your wedding day, and the list goes on! With this being said, having a relationship with my clients is important. I always love meeting up for coffee to talk details and getting to know you and your hunny better.
