ABOUT ME

Hi, I'm Haley :)

I'm a, "let's get ice cream and watch the sunset" type of friend. You can expect to see me barefoot with a claw clip in my hair every day of the week. I'm drawn to the water, mountains and anything outdoors. I absolutely love iced coffee, good salads and (you guessed it) photography.

I'm the mother of my 5 year old daughter, Addison, and our three fur babies. We have two cats and a German Shepard. Our life is beautiful and adventurous; we embrace every second of it!

I have a letter board in our house that says "these are the good old days." And they are. Live in your now and don't forget to capture photos along the way. After all, when you're old and gray these are the photos you're going to show your grandchildren!

“Haley is absolutely AMAZING! This was our first time taking professional pictures and Haley was the best choice possible! While we are both a little awkward she made it fun and made us laugh during the entire session! Nothing about it was awkward one bit! Haley gave us perfect prompts and the pictures turned out amazing, I'm absolutely in love with them!”

“Wow, Haley is the best photographer I have ever had the pleasure of working with! She is down to earth, easy going, makes taking pictures with your husband so much fun. She is great at keeping in touch and helping you prepare for your photo session. She has great advice and does such a great job capturing the type of session you are looking for. You must book her.”

Here's what's next:

FAQs

How many images will we receive?

The minimum number of photos you will receive is included in each package.

What is your turnaround time?

Engagement sessions take up to 3 weeks and weddings/elopements take up to 8 weeks.

What is in your camera bag?

I shoot on a Canon R6 and a Canon 6D. My favorite lenses are my 35 mm 1.4, 50 mm 1.2 and occasionally I'll get my 135 2.0 out!

Can we meet you before booking?

Yes, I offer virtual consult. I love getting to know your vision even better!

FAQs

Do you charge travel fees?

If your wedding is more than 2 hours from my home in Stuarts Draft I will make a custom wedding package for you!

What should we wear for photos?

The styling guide was created just for you. It breaks down outfit ideas and color theory but if I could give you one tip, it would be to coordinate not match!

What if we need to raincheck or cancel?

If you cancel, the retainer is non-refundable. Rescheduling more than 30 days in advance has no penalty. If it is a weather/emergency rescheduling situation I am happy to work with you!

Do you give us all of the RAW files?

No, and I promise you don't want them. I give you the best edited photos from your session. Even if I gave you the raw files, you need special software to view them. Who wants blinking photos anyways?

“I would recommend Haley to everyone! I absolutely loved my boudoir pictures and she made me feel sooo comfortable and confident! She was extremely quick to respond every time and went out of her way for me to find a studio that wasn't too far for me! She was so positive and kind and empowering! She made sure I got everything I wanted from the photo shoot. The pictures are absolutely stunning!!!”

“Haley was amazing as both a photographer and as a person. She made our experience on our wedding day fun and enjoyable like no one else could. Then, when we had a special request, she instantly helped out. Needless to say that if I could give more than 5 stars I would. Thank you Haley!!”
