the process

01 **SCHEDULE YOUR CONSULTATION**
E-mail me schedule your consultation. A questionnaire will be sent to you that provides me with insight to your wedding day. We'll discuss details regarding to your wedding day to what is covered in the variety of wedding packages. At this appointment I'll answer your questions, & discuss next steps from how to officially book, to making suggestions on when to schedule your engagement session, if that is included in your package. You will also be provided with the final cost of your selected wedding package.

02 **WHAT'S INCLUDED**
All packages includes non-photographic time of touring the venue(s) where the ceremony & reception take place. Along with non-photographic time as a consultant during your rehearsal, if requested. High resolution digital images, via download & archived on a USB drive, along with an image print box that are filled with your favorite photos printed on archival paper. Wedding packages that include an engagement, bridal, bride/groom or anniversary session have the opportunity of a proofing gallery to select your favorite images to be fully edited.

03 **PLANNING THE ENGAGEMENT**
Once you've paid the retainer we'll plan out the details of your engagement, if it's part of your package. Be sure to choose a location that suits your style as a couple or has a special meaning. Don't be afraid to think outside the 614/740 area code either! Sessions are scheduled during the week or weekend an hour & half before sunset. I'll provide guidance on outfits, accessories, possible theme - if you'd like to meet in person to plan out your engagement, we can do that! When your final gallery is delivered, you'll have an opportunity to spend your product credit how you wish.

04 **VENUE VISIT, TIMELINE & REHEARSAL**
Two months before your wedding date plan to meet with me again, preferably at your venue(s). We'll take a tour of the space(s) so I can make a plan of locations to use for photos, & see the layout of your chosen location. Plus we will also take the time to create a timeline of the entire day. This helps keep everyone on track during the wedding day. Another helpful item we'll go over is your photo shot list. The day of your rehearsal, if needed, I'll be present as a consult for you. This helps immediate family & the bridal party meet me before the big day. Provide insight to questions that come up, make last minute changes to the timeline. I can also start prepping areas (if possible) the night before.

05 **WEDDING DAY!**
It's here! The day you have been planning for as arrived. My requirements for your day is that I am the sole photographer on site documenting your day. Plus for your ceremony & formal photos that guests put away their electronic devices so they can enjoy the moment with you two. During your wedding day I will do my utmost best to capture the details you've laid out, the moments that happen & the first kiss as a married couple. At the end of your coverage I will ask the two of you if you need me to stay longer.

06 **PORTRAIT DELIVERY**
It takes approximately 8-12 weeks for myself to cull & edit your entire wedding gallery. Your gallery will be available through an online gallery to share with friends & family. If your package includes any type of designed product, those will have proofs for you to review before sending it off to the print lab. Once all the final decisions have been made, designed products have been approved your order will be processed by my professional lab. All the care will be handled once I've received & inspected the quality. Approximately 2 weeks after your order has been sent to the lab, your beautiful hand picked products will be delivered to you.

frequently asked questions

HOW DO I BOOK A WEDDING WITH YOU?

You can in one of two ways: call, or email me to schedule your consultation appointment. Consultation appointments are scheduled during the week, Monday - Thursday. During our meeting we'll go through your known details of your day, plus the next steps to book your wedding. This meeting is over the phone, & can last about 30-45 minutes. My best advice is to schedule with me early, especially in the fall.

WHEN WILL I SEE MY PHOTOS?

Sneak peeks will be posted to social media within 72 hours of your session(s) & wedding. Ten days after your session you will be emailed a link to your proofing gallery (engagement, bridal, or anniversary only). For the engagement, bridal & anniversary, your personally chosen photos to be edited selected from your proofing gallery will be finished three to four weeks from your proofing window expires. If you need photos sooner to meet a deadline, a \$85 fee will be applied. Wedding photos will take up to eight to twelve weeks to cull, fully edit & provide the final gallery to download.

WHAT IS THE DIFFERENCE BETWEEN THE PROOFING GALLERY & THE FINAL?

The proofing gallery consists of all the photos from your session culled down to the best of the best. Those images are not edited. From the proofing gallery you will choose your favorite images to be edited. The final gallery will only consist only of those images chosen from your proofing gallery. Proofing galleries are only available for the engagement, bridal, & anniversary session. Due to the volume of photos taken during your wedding, a proofing gallery is not an option in order to provide your final wedding gallery in a timely manner.

IS RETOUCHING PART OF YOUR EDITING WORKFLOW?

Yes, part of my workflow is minor retouching on images that I feel require it. Retouching includes adjusting skin tones to reflect true to life as possible, evening out the light & shadows on your face - this does include minor removal of under eye circles. Reduction of minor wrinkles in skin & clothing. Removal of identified blemishes & acne. Minimal enhancement to eyes & catch lights. All mentioned edits are at the discretion of the Photographer as to how they are executed due to the Photographer's editing software & equipment are calibrated to their professional lab

ARE DIGITALS INCLUDED?

Digital are part of every wedding packages. You will get your digital via a digital download PLUS on a USB drive so they're already archived for you in one way. You will receive multiple copies of my print release. This print release is for personal use only to reproduce your photos as many times as you wish to display around your home & office or give as gifts.

WHEN IS PAYMENT DUE?

Your retainer is 40% of the cost of the session fee is due at the time of booking. This is the only guarantee to hold your session date & time. The remaining balance is due one week prior to your wedding date.

WHAT TYPE OF PAYMENTS DO YOU TAKE?

You can pay with cash, check or credit card.

DO YOU RESCHEDULE IF THE WEATHER IS BAD?

Everyone knows in Ohio if you don't like the weather, "wait five minutes & it'll change" is not just a saying. Even two separate towns can experience separate weather conditions in the very same day. I shoot in light/spotty rain, light wind, even snow - those type of conditions make for some dynamic photos. The week of your engagement session I watch the weather every day & we'll stay in touch. If the conditions are very unfavorable for your session we can reschedule as long as another date/time is available.

DO YOU OFFER REFERRAL BONUSES?

Absolutely! You have the chance to earn some of the popular products; like the Luxe Album to a \$250 print/product credit, there is also a FREE one hour session, & even percentage off your product order up to 50% off. Referrals are required to book, pay for & complete a session or wedding. All referrals earn a \$50 print/product credit off to spend, if they are booking a photo session OR \$200 off their wedding package.
