# The Photography Stiles Process

Our process of serving our couples is truly exciting because it allows your values, wants and needs to be heard, understood and captured.

1. Become genuinely interested in your Story
2. Listen to your unique wants, needs and values
3. Strategically plan for peace of mind
4. Work Hard - Shoot Smart - Love Well
5. Preserve your Story as legacy

With this process anchoring our intentional shooting style, we capture the unnoticed moments, otherwise forgotten memories, unexpected perspectives, and the unique personalities specific to each couple.

## DESTINATION WEDDINGS

Photography Stiles is no stranger to destination events domestically. Due to the unique nature of each location, we draft custom packages, taking into consideration airfare, accommodations, and travel distance. We strive to make destination travel as easy and accessible to you as possible.

WE  
CAPTURE

romantic  
moments.

# Memory Albums

Your Memory Album encases your most precious experiences, memories, and emotions from your wedding. An Heirloom to last for generations and true piece of fine-art that every client of ours will have in their hand. Every Album is custom designed around each couples unique story by Photography Stiles Creative. We then work with you one on one to finalize the finished display of the Album.

Our Memory Book combines custom craftsmanship, handmade quality details and fashion-forward looks. When you first get your hands on your Memory Book.

Our binding lays beautifully flat, so each spread can be presented in all of its glory. No cut through any photograph.

# Folios

Our Folios are the perfect way to showcase just a few highlight photos that capture your memories. We offer Matted Folios as well as Folio Albums. These are fantastic ways to show off some highlighted engagement photos.

Matted Folios hold 2, 3, or 4 prints in archival rag mat board. These simple heirlooms are perfect for preserving just a few memories that should be displayed to cherish daily.

Matted Folio Albums are handmade with archival mat board and hold 6 to 24 prints. These are wonderful for highlighting more than a few photos from your engagement session that you'd love to revisit memories preserved.

A romantic photograph of a couple standing in a field of white wildflowers. The woman is on the left, wearing a light-colored dress, and the man is on the right, wearing a blue button-down shirt. They are looking at each other and smiling. The background is a soft-focus forest with trees showing autumn foliage in shades of orange and yellow. The overall mood is warm and intimate.
