Introduction

Castello Vicchiomaggio is one of the most beautiful castles in Tuscany, surrounded by a park of over 130 hectares of land. It is an elegant agritourism and a perfect location for weddings.

Owned and run by John and Paola Matta with good taste, attention to detail and respect for tradition. Castello Vicchiomaggio is a gem surrounded by a treasure trove of hills in the heart of the chianti classic area. A temple of hospitality to celebrate the most important day of your life.

Wedding

What backdrop is more romantic than the hills of the breathtaking Tuscan Countryside for this memorable occasion. Castello Vicchiomaggio is the perfect location for a truly exclusive wedding. We offer the unique possibility to enjoy your ceremony, reception, as well as your accommodation, all in one location. Your own private Castle for your unforgettable day.

The Castle has both indoor and outdoor spaces that can accommodate your guests for a magical experience. Our beautiful picture perfect renaissance garden is the perfect place to start your reception with an aperitif, followed by dinner and dancing under the Tuscan stars.

For those of you who prefer to be indoors, or for one of those rare rainy days, one of our splendid romantic ballrooms is a wonderful solution to carry on the festivities in style.

A large selection of menus are available, and one of our events coordinator will always be on hand to discuss any particular needs or desires that you might have.

We are here to make sure that everything runs smoothly for this once in a lifetime event.

Let us make your dream wedding a reality.

Vicchiomaggio

Religious wedding

The church of Santa Maria at Vicchiomaggio is located within the walls of the Castle.

A 'petit' masterpiece immersed in the countryside of one of the most beautiful regions in Italy.

The evocative setting of the church is perfect for an intimate and elegant Tuscan wedding.

Civil ceremony

Castello Vicchiomaggio is a fantastic alternative for those of you who wish to celebrate a civil ceremony away from the hustle and discomforts of the city, in a pristine environment where calm and absolute peace reigns.

Thanks to an agreement with the City of Greve in Chianti, Castello Vicchiomaggio can now serve as a Municipal House. We can legally celebrate your civil ceremony right here at the castle.

Your ceremony can be held outdoors in our renaissance gardens or in one of our ballrooms, and will be officiated by a municipal official.

The ceremony is offered to residents throughout Italy, and for couples from all over the world who would love to celebrate in style with us at Castello Vicchiomaggio.
