

1. Engagement (Pre-Wedding) & Artistic Photos

Plan A) Price: \$500

Duration: 4 hours (time counts from gathering at the first place). I will suggest taking photos in the morning for less crowded people for the popular spots, getting clean and open background, or in the weekdays. For less crowded people spot, I plan to shoot from 4pm to 8pm, because the light is getting softer.

Location: 2 to 3 places (depending on the distance between spots, because the travel time will count also)

Numbers of Retouched Photos: More than 80 (I will give as many as possible if exceeding this number)

Number of Refined Photos (better retouched): 20 (\$25/per photo if you want more than this number)

Plan B) Price: \$150/per hour

Duration: 1-3 hours (time counts from gathering at the first place). I will suggest taking photos in the morning for less crowded people for the popular spots, getting clean and open background, or in the weekdays. For less crowded people spot, I plan to shoot from 4pm to 8pm, because the light is getting softer.

Location: Unlimited (depending on the distance between spots, because the travel time will count also)

Numbers of Retouched Photos: More than 20/per hour (I will give as many as possible if exceeding this number)

Number of Refined Photos (better retouched): 5 (\$25/per photo if you want more than this number)

Plan C) Price: \$750

Duration: 6 hours (time counts from gathering at the first place). I will suggest taking photos in the morning for less crowded people for the popular spots, getting clean and open background, or in the weekdays. For less crowded people spot, I plan to shoot from 4pm to 8pm, because the light is getting softer.

Location: 3-4 places (depending on the distance between spots, because the travel time will count also)

Numbers of Retouched Photos: More than 120 (I will give as many as possible if exceeding this number)

Number of Refined Photos (better retouched): 30 (\$25/per photo if you want more than this number)

Plan D) Price: \$1000

Duration: 8 hours (time counts from gathering at the first place). I will suggest taking photos in the morning for less crowded people for the popular spots, getting clean and open background, or in the weekdays. For less crowded people spot, I plan to shoot from 4pm to 8pm, because the light is getting softer.

Location: Unlimited (depending on the distance between spots, because the travel time will count also)

Numbers of Retouched Photos: More than 200 (I will give as many as possible if exceeding this number)

Number of Refined Photos (better retouched): 50 (\$25/per photo if you want more than this number)

2. Wedding Photos

Plan E) Price: \$1500

Duration: The whole wedding, starting from Bridal makeup, end in prom.

Location: Unlimited

Numbers of Retouched Photos: More than 200 (I will give as many as possible if exceeding this number)

Number of Refined Photos (better retouched): 50 (\$25/per photo if you want more than this number)
