# Disclaimer/Policies

As with any company there are certain things that must be enforced as official company policy. With such, we want to be as straightforward and transparent as possible. We do not believe in lengthy Disclaimers stuffed with microscopic terms and conditions, so we will not burden you with it either!

**By paying a deposit or signing this proposal to reserve our services, you agree to the following terms of this disclaimer:**

- Lets Booth It, LLC shall maintain sole rights and ownership of all images taken and produced by our equipment:
  - Customers can purchase a lifetime usage license to all images in the form of a Memory Gallery for our standard fee of \$35.00
  - Customer can purchase complete rights (Lets Booth It, LLC will no longer own the images) to all customer event images for \$200.00
- Lets Booth It, LLC cannot guarantee that digital copies of images from customer event will be available after the event. While this is rare, an incident could occur that may prevent us from accessing the digital images.
- A non-refundable deposit of at least 50% of the rental total, or proposal signature, must be provided within 48 hours of your confirmed reservation in order to officially reserve the requested date. Unless otherwise agreed to, failure to provide a deposit can result in loss of the service reservation.
- Final payment is due prior to our arrival at customer event unless otherwise agreed to. Failure to make final payment arrangements can result in loss of service reservation.
- Event cancellations agree to forfeiture of a non-refundable deposit. Cancellation due to weather will be permitted a "rain-check" on a future date when given a 12 hour advance notice for cancellation if full payment has been made. If weather cancellation is made within 12 hour of the event start time, there will be an additional \$125 "*reschedule fee*" added to event date. If the only a deposit has been paid prior to weather cancellation, final balance must be paid in order to receive a "rain-check" waiver. If not, the deposit on file will be forfeited. If full payment was to be paid on the day of the event, we will still need to issue the deposit invoice; this is held for a future rental date.
- If an event cancellation is made prior to an event deposit being made, but the designed strip has been approved, a \$50 design fee will processed in sent with an invoice.
- Lets Booth It require a \$10 processing fee for all payments submitted via check.
- A Late Payment Fee in the amount of \$50 will be assessed to all invoices 5 days past due unless otherwise agreed to.

- We require access to a reliable power source within 20 feet of the booth setup location. If the distance from power source is further than 20 feet, customer agrees to provide additional extension cords.
- If customer fails to provide event location prior to reserving our service, a separate travel fee may be issued to offset reasonable travel expenses (this is rare; please let us know where location will be held!)
- Customers have the right to change their Event Details (date, time, location, etc..) prior to 7 days before their event without penalty (assuming our schedule allows us to accommodate the request). **If a major Event Detail is updated within 7 days of the event date, there will be a minimum \$50.00 fee to process the request.**
- *Lets Booth It, LLC will provide a custom designed strip for the physical photo prints. Customer has the right to unlimited revisions until satisfied and approved. **If a previously approved design requires update (or complete revision), there is a \$50.00 design fee.***  
 Lets Booth It provides a general prop assortment for all rentals. If props are severely damaged, misplaced, or borrowed (and not returned) by event guests, Lets Booth It has the right to issue a minimum \$50.00 invoice for the loss (this is very rare; we will discuss with customer if such a case should arise).
- If customer fails to provide event location prior to reserving our service, a separate travel fee may be issued to offset reasonable travel expenses (this is rare, so please tell us where your event will be held!).
- All rentals include a satin black backdrop, black bench cover, and black table cloth. **Request for a different backdrop style or linen color is considered an upgrade; additional fees apply.**
- A Lets Booth It attendant will arrive to set up our equipment prior to customer's designated, operational start time. For standard rentals, we will arrive within 1 hour prior of the operational start time. For trade shows and large corporate events, we will arrive within 2 hours of the operational start time. **If an earlier load-in is required (from customer or venue), additional load-in/idle hour fees will apply.**
- If customer wishes to extend the length of time for their rental, while we are already on-site, the extended rental rate is **\$65/half-hour** or **\$120/hr**. Time extensions made in advance (prior to our arrival) are priced at \$50/half-hour. The rates in this policy apply regardless of the rate quoted by an on-site attendant.
- If paid parking and/or load-in fees (i.e. bellhop, cart rental, etc...) are incurred in excess of \$10, Lets Booth It will issue an invoice to cover the unforeseen expenses.
- Customer agrees that if final payment is not collected within 30 days of the completed event, Lets Booth It, LLC will pursue payment via collections agency (unless previously agreed to alternative resolution has been established)

By signing below, I agree to the terms of this contract and the disclaimers/policies set forth.
