CONGRATS ON YOUR RECENT ENGAGEMENT

I'm thrilled you're considering having me become a part of your day! Wedding photography is one of the most important investments you will have for your wedding day.

When the beautiful day has come to an end, the teary-eyed toasts have been shared, your dress is hung, you will have wedding photos to look back on and cherish throughout the years.

Spend some time reviewing this pricing guide and let me know if you have any questions or concerns. If you feel like we'd be a wonderful match for each other, let's connect!

## MEET KAMAL

Hey there, I'm Kamal. It's a pleasure to meet you. Welcome to Complete and Perfect (CP) Photography. I started this journey as a photographer in 2018 and soooooo glad I did. Photography has given me the opportunity to capture and express how I view and see the world. It also allows me to capture beautiful and expressive moments in time.

Now, who is Kamal, you ask? Well I'm probably the most laid back person you might ever meet. I love to laugh and make others laugh as well. I split my time between Sunny Southern California and Beautiful Lush Hawaii. I'm a huge nerd, I love anime and video games...would do both all day if I could. I'm also a bit of a tea and candle snob...I love sipping tea while listening to lofi and making candles during my free time.

The reason why I'm drawn to wedding and boudoir photography is that I love to help others see their inner and outer beauty. There is nothing better than watching a groom seeing his bride for the first time walking down the aisle and being able to capture the emotion and love in both of their eyes. While working, my favorite moment is when someone sees their image in my camera and is taken aback at their own beauty.

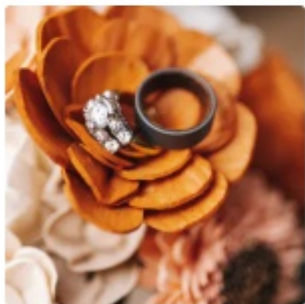

SO... that's a little about me. Let's get to know you!
