THANK YOU
FOR BEING HERE

I'M SO EXCITED
TO START THIS JOURNEY
WITH YOU

HI THERE

You,

Couldn't be more *excited* in your interest to have me as your photographer.

It truly is super *special* finding your wedding photographer, the person who you can trust and let your guard down.

Are you ready to create some *magic*, one of a kind, really exceptional images? And the reason all this is possible is because

YOU + ME
COMING TOGETHER
=

A TRUE REFLECTION
OF YOU IN YOUR PHOTOS

I only take on a small number of weddings each year. The reason I do this is because I am invested in *your story* and in you. If I spread myself too thin, I wouldn't be able to do what I do and really *submerge myself* in your story and who you are as people.

This whole experience is about *partnership*, letting our guard down and getting to know each other so that I can capture your *truest* form and create memories that make you FEEL like you did in the moment.

My MISSION

Now that you are here I want your time with me to be a *Sincere Experience*.

LET'S CELEBRATE

the messy, the candid, the unexpected moments that will make your wedding day really *special*.

As your Photographer, my goal is to bring out the sense of *intimacy* and *authenticity* in my couples.

My approach is simple, I get inspired by my couples--by watching you and taking in everything that is you. I want to show you and the world how I see you, which is a hundred percent unique.

UNIQUENESS & TRUST

In this partnership, we will collaborate and get inspired by our surroundings and by your story.

FREQUENTLY ASKED QUESTIONS

WHAT'S YOUR MOST POPULAR PACKAGE?

My most popular package is the 8 hour package. Most couples invest \$4300 on their day. The 8 hour package is usually the sweet spot. With this package you will get coverage of everything. For my couples that are doing a send off, or are getting ready in different locations, I would recommend looking into the 10 hour package.

DO YOU MEET UP WITH YOUR CLIENTS?

As much as I would love to meet up with all my clients, that's not possible. Mostly because I have clients all over the Country. If we happen to be in the same area, I would absolutely love to meet up with you. If we aren't able to meet up, no worries we can set up a facetime and we can talk over a nice cocktail or a cup of tea.

DO YOU HAVE PAYMENT PLANS?

Yes, all packages are divided into two payments. The first initial payment is a 30% non-refundable deposit to hold your date. The second payment is the remaining balance due two weeks prior to your wedding date.

CAN I ADD ADDITIONAL HOURS?

Absolutely, every additional hour cost \$500

DO YOU RECOMMEND A FIRST LOOK?

I always recommend a first look. First looks are such a special, intimate moment between you and your partner. It also takes some of the edge off and makes the day just run a lot smoother.

CAN I ADD A SECOND SHOOTER / ENGAGEMENT SHOOT?

→ You can add a second shooter to the 6 hour, and 8 hour package for an additional \$700. The 10 hour package already includes a second shooter.

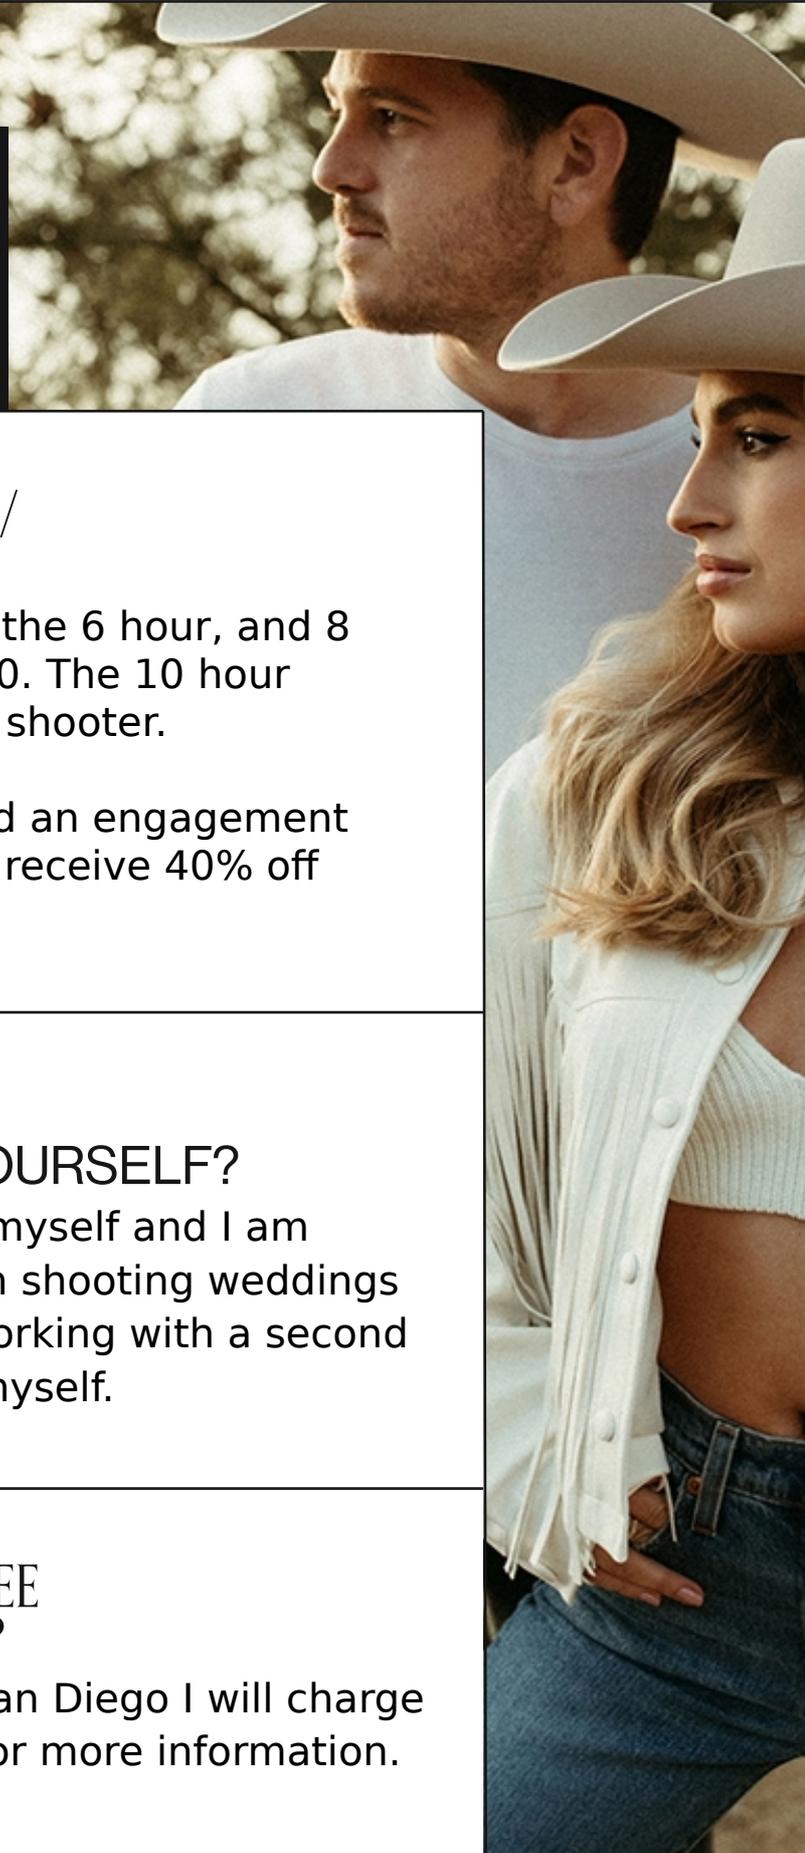

→ I encourage all my couples to add an engagement shoot to their package, and you do receive 40% off engagement sessions.

DO YOU FEEL COMFORTABLE SHOOTING A WEDDING BY YOURSELF?

I shoot about 80% of weddings by myself and I am more than confident doing so. Been shooting weddings mostly solo for 6 years. I do love working with a second shooter, but also love working by myself.

DO YOU CHARGE A TRAVELING FEE OUTSIDE OF GRAND RAPIDS?

For weddings 30 miles outside of San Diego I will charge a small traveling fee. Contact me for more information.

THANK YOU FOR YOUR INTEREST

LET'S GET THIS STARTED
AND CREATE SOMETHING
TRULY UNIQUE

Now that I gave you my whole spill, take the time to let all this information *sink in*.

Wedding planning is such a big project and I understand all the *love* that goes into this process.

Having recently married myself, I know there are a lot of decisions to be made. My one word of advice:

PHOTOGRAPHY SHOULD BE THE ONE AREA
WHERE YOU TRULY DO INVEST

Your memories are more than just a number, and they deserve to be *documented* in the most *authentic* way possible.

I have been shooting weddings for 8 years of my life and it brings me such *joy* to be able to document love and meet some of the people who have made the biggest impact on my life.

I am here to serve you, to *empower* you and to help tell your love story. I can't wait to start this *journey with you*.
