STORY DRIVEN

No hourly packages.
Just your wedding story captured
from beginning to end.
One simple package.

No. 2

ARTFUL PROCESSING

Treating each of your photos
as a work of art, I hand-edit
for optimal exposure, color,
and tone. Your photos are
never outsourced for editing;
each of them remains in my
care from capture to
completion.

No. 3

TRUST

My philosophy on weddings...
Leave the worrying for another
day, roll with whatever may
happen, and know that I'm going
to be there to capture your
moments.
