SEMEKA CC

Semeka Creative Composition(CC) presents precious moments with photo-journalistic flare. We are dedicated to display innovate and artistic photographs with an editorial approach for all our clients.

Creative, High Quality Products

The art of photography has progressed both in methods of picture-taking and in ground-breaking exhibitions for photographs.

SEMEKA features new methods in product presentation. Our specialty is high end, fine art print products that will not only stand the test of time, but will reflect the innovations of our modern era.

SEMEKA E-Contracts

To expedite traditional business processes, SEMEKA reduces the cost of scanning, faxing, and shipping by utilizing **SignEasy™**

The application is free to download to your smartphone or tablet which allows clients to verify, sign, and send SEMEKA contracts even while they're "on the go."
