welcome

Hello and welcome! We are thrilled that you have taken the time to look at our work, and that you are considering booking us for your wedding. We can't wait to get to know you and learn more about your big day. For now, though, we want to start out by sharing a little about us and what it means to be a Beach Bum Photography couple. Take a look at this welcome guide, and then once you look it over, let's chat!

about us

We are Karim & Alex Fernandez, a father and son business, and we've been wedding photographers for over 15 years. Rather than a long and boring bio, we wanted to share a few 'fun facts' about us so that you can get to know us a little more.

- Karim began shooting weddings out of high school in 1998 and mentored with one of the biggest photographers in Miami while attending college for Film!
- Alex also started shooting while in high school and studied photography at Gulf Coast College.
- We have won both Wedding Wire's Couple's Choice Award and Bay County's Best of Bay Photography Award for more than 3 years in a row.
- When shooting big weddings, the whole family gets involved including Karim's wife, who he has been with since freshman year in high school, and his youngest son who is 12 and can DJ and run drones.
- We love traveling and are passport ready and have done weddings all over the United States and Mexico!
- We enjoy spending time watching movies and doing geeky things!

unforgettable, authentic, and honest wedding photography

choosing a
photographer

Your wedding day is one of the most important days of your life. We believe that you should choose a photographer that you feel a deep connection with, and whose style of images truly resonates with you.

If you choose to work with us, we promise that not only will you love your images - but you will also have an enjoyable and relaxed experience throughout your entire wedding day.

Over the past 15 years and over 100 weddings, we have been fortunate to have worked with so many amazing couples! When trying to find the perfect photographer for your wedding, there is nothing better than client testimonials describing their experience they had while working with us.

We work tirelessly for our clients to provide a client experience that is second to none. The testimonials found throughout this welcome guide are only short excerpts from a small sampling of our client reviews. To read the entire full reviews from some of our couples, please visit our website.

A romantic photograph of a couple embracing on a beach at sunset. The man is on the left, wearing a light blue shirt and light-colored trousers, with his arms around the woman. The woman is on the right, wearing a white lace dress, looking towards the ocean. The sun is low on the horizon, creating a warm, golden glow over the water and sky. The sky is filled with soft, wispy clouds. The beach is visible in the foreground, with gentle waves lapping at the shore.

our style

We are incredibly passionate about wedding photography, and our goal is to capture images that you will treasure for years to come.

It is important for us to get to know you and your love story. This helps us capture your unique day!

Through our dynamic photo storytelling, we showcase the bride and groom for who they truly are, and the true and honest moments of their wedding day. Our clients feel the emotion within their photos, whether through laughter or tears, as they recount the variety of special moments captured through the day.

Our style can be described as clean, fresh, and timeless. We also capture a combination of both posed portraits and candid, photojournalistic style images throughout your day.
