Services Offered and Fees

At Every Night's A Ball we offer all levels of service, as we want to help you with anything and everything you need!

1. Consultation Only - \$150.00

Includes a 2 hour consultation where we hear about your event and provide you with a vision and some tips on how to make it come true. Cost applied to your event upon booking.

2. Day-Of Coordination Services - \$1,000.00

This service includes:

One meeting a month before the event (preferably at the site) to go over all of the details. (up to 3 hours)

Wedding Rehearsal - I will organize your bridal party and facilitate, so everyone knows what to do on the Big Day! (up to 3 hours)

Wedding Day - I will take care of all the details for you! Including, making sure the vendors arrive on time, set up where they are supposed to, get their final checks, as well as take care of any and every detail you need. I come prepared for anything, whether it's a ripped stocking or a missing cake, I have the tool kit to make it seamless. (up to 14 hours)

3. Full Service Planning - \$75 / hour (Estimate determined after consultation)

We handle every detail! This service includes initial consultation, full planning, personal assistance through the entire process, day of coordination, and finalizing all details after the event has been completed. We are very hands on, so if there's anything you want, we will make it happen!

(Assistant Rate - \$40 / hour)

**For Full Service Planning there is an additional flat fee of \$150 (equivalent to 2 hours) for idea gathering and research... Because let's face it, pinterest and magazines can be addicting. We will only charge hourly for research if it is for specific items you have requested.*

Our estimate does not include any out of pocket expenses paid in connection with your event. These will be billed at cost. Anything that may exceed 5% of the total will be approved by you in advance.

Our estimate does not include any applicable taxes.

Thank you!
