## **STORYTELLERS, ADVENTURERS, & LOVERS OF LOVE!**

It's important you find someone whose work you LOVE - But we believe it's just as important you find someone who will bring out the best of who you are in your photos! After all - Your wedding day is meant to be an amazing celebration - You probably want a photographer who is fun to be around! We're lovers of adventure, storytelling, the outdoors, and slightly obsessed with our dogs. Give us a good photo spot and we can get lost for hours. We hope this guide gives you an idea of our style, and who we are!

It's great to meet you! Well... Kind of meet you. Hopefully we can meet face to face sometime soon! We're so thrilled you're considering us for such an incredible day! The truth is your wedding is a once in a lifetime occasion. The two of you are about to start the most challenging, rewarding, exciting, life-changing experience of your lives together - And choosing someone to capture that day through photography is a big decision.

# FAQ

---

## Do you travel?

We LOVE to travel and love destination weddings even more. We are happy to create custom packages to fit your wedding plans. Travel and accomodation fees are included in destination packages, so you won't have to worry about a thing!

## Do you charge for travel locally?

Weddings within one hour from Jefferson, Wisconsin will not be charged a travel fee. Anything over one hour will be charged on a case by case basis.

## Can we book you for only a few hours?

Absolutely! Feel free to reach out for a custom quote.

## Do I have to get my albums and prints from you?

We offer albums and prints for your convenience. We know you have invested a lot in your photos, so you should have the freedom to do what you want with them for personal use. So the answer is no you do not, we leave that choice up to you.

## Do you edit all your photos?

Yes! Each photo receives basic color correction, cropping, adjustment for lighting etc, as well as a custom filter to give it the vibe you see in my portfolio.

## Do you shoot video?

No we do not. We do, however, have some amazing videographers we LOVE to recommend. It's super important that the photographers and videographers vibe well together. Then we can be your dream team and create the best experience for our couple together!

## Do you have insurance and backup equipment?

Yes, we have liability insurance which extends to me, my second shooter, and my equipment while we're on the job. Yes, every wedding we have what we lovingly call a "wedding wagon" which houses backup cameras, lenses, batteries, memory cards, flashes, etc.

## I'm ready to book! What's next?!?

WOOHOO! We can't WAIT to get to know you and we are so thrilled you've chosen me. To book we require a signed contract and a 50% non-refundable retainer. Dates cannot be reserved until these have been received. Contact us today and we'll send you all the info!
