H I , I A M B A R B O R A .

I am passionate about being a Washington DC wedding photographer. Capturing life's most precious moments is what fuels my dedication to continually refine my craft and strive for constant improvement. Your satisfaction means the world to me, and I'm always eager to go the extra mile.

There's something truly special about witnessing and immortalizing the union of two souls in marriage. Moments like speeches and father-daughter dances often tug at my heartstrings – I might even shed a tear.

Clients often describe me as professional, responsive, reliable, artistic, creative, detail-oriented, outgoing, and fun. With extensive experience in both photography and customer service, I aim to bring the best of both worlds to every interaction.

When I'm not behind the camera, I'm cherishing moments with my two daughters, Charlotte and Dorothy. They're my constant inspiration. I also indulge in my love for dancing, embarking on adventures, and sharing a glass of wine with my girlfriends.

Let's capture beautiful memories together and weave stories that last a lifetime!

NEXT STEP

So you are ready to take the next step... Let's schedule a Zoom call! I make it a priority to establish a relationship with all of my couples, so I'd love to hear all about your love story and vision for the big day!

Q: What sets you apart from other photographers?

A: With years of experience I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: The Timeless and the Luxury Collection comes with a second photographer, but you are more than welcome to add a second shooter for an additional cost to other collections.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: How do we reserve our wedding date?

A: A 50% deposit & signed contract is required in order to get your wedding day on the calendar. The remainder of your balance is due on the day of your wedding.

Q: Do you offer payment plans?

A: Yes! All I require is 50% retainer and the remaining balance can be split into as many payments as you would like. I've had clients do monthly, bimonthly, or split it into 3 equal payments. There is no additional charge. As long as the final payment is paid the month prior to the big day, we are all set.

Q: How long until we get our photos?

A: I promise engagement galleries within 2 weeks and wedding galleries within 6 weeks.

Q: Will all the photos be edited?

A: Yes. I take out any blurred out or test shot and edit the rest of the photos.

Q: How are the digital images delivered?

A: Your final images will be delivered via an online gallery. I will email you a link to the gallery where you can download all of the photos in full resolution for printing or web-sized format for social media posting. Your photos will be available online for 90 days.

Q: I would like to buy the Wedding photo album. Can I pick my favorite photos for the album?

A: Yes. You will be able to select your favorite 90 photos. I will add additional photos that will complement or help tell your wedding day story.
