

# The Space

## WHAT TO EXPECT

---

The perfect blend of old and new. The Perley Barn is an updated and renewed 1900's hip roof barn made to last another 100 years, while the new event center is crisp and bold. The "Tuxedo" black and white appearance will highlight your special day and make for memories that will last a lifetime.

We provide single day rentals for events and unique multi-day packages utilizing our 2,000 sq ft 4 bedroom and 2 bathroom home on the upper unit of the new event center.

The apartment style upper level provides many amenities such as full kitchen, laundry room, living and lounge areas along with an entertainers dream deck.
