CONGRATS!

Thanks so much for getting in touch with me about your wedding day, and congratulations again for sealing the deal!

You have so much fun and excitement coming your way, and I'd absolutely love to be a part of your celebrations. As a wedding photographer, I place importance on capturing the raw, authentic connection between two individuals and documenting love in a real way.

Why I can't wait to document your day

From stolen glances to getting loose on the dance floor, I'll be there to document your love story (and all the fun parts). I'll even make sure to snap authentic moments that may've slipped by unnoticed - they're the best ones!

Whether you want me to inconspicuously lurk in the shadows, snapping candid shots or be right up front, rounding everyone up for group photos, I'll be the chameleon you need on the day. Either way, I'll be behind the camera, not missing a beat.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever memorialize your day. My end goal is when you look through the photos, memories will come to life and it'll be as though you're right there doing it all over again.

HI, I'M LIZ

A creative free spirit with a love for love.

I have always been creative-minded and had a deep love for connection between humans. I believe, at the end of the day, these true moments, even the smallest ones, are what mean the most. Weddings are filled with these tiny moments and the fact that I get to capture them, stop time and hand them onto you to be remembered forever means more than you may ever know.

Chat soon, I can't wait to hear all about your ideas and plans for the day.

Kind Words

SECOND shooter

The perfect solution to cover multiple locations or big weddings.

Most of my weddings I shoot by myself, and while I am very comfortable shooting weddings alone some weddings can be captured more completely with a second shooter.

This is a particularly good idea if:

- You have a large guest list, and want to make sure we get shots of everyone that's there on the day
- You are not doing a first look, and have a lengthy list of family formal shots you'd like
- You and your partner are getting ready at the same time, and the locations are far apart

Basically, the second shooter will act as my wingman/ wing woman, doubling the coverage of your wedding.

We'll team up to make sure that everything is captured, from start to finish. Having a second shooter will also ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

*+\$100/ hour for a second shooter,
minimum four hours*

ENGAGEMENT — shoot

How many professionally taken photos do you and your partner have, ones that you really love and can fill your home with?

An engagement shoot is a chance for us to capture some really beautiful, candid photos of you and your partner in a relaxed environment. Just the two of you, being you.

Plus, if you're a little camera-shy, it's the perfect opportunity for you to practice being comfortable in front of the camera, in the lead up to your wedding day. Either way, I promise that we'll have a lot of fun while we're at it.

All of my wedding packages come with an engagement session so we can meet each other beforehand and get some save-the-date material!

Engagement Session Includes

FAQ

What is required to secure my date?

When you're ready to book, I'll email you a proposal that includes the contract and invoice. The payment is split into two parts- 50% is due on sign as the non-refundable retainer and the second half is due one month before your date. Your date is not reserved until I have a signature on my contract and the first installment paid!

How many photos will I receive?

You'll receive over 600-800 photos, depending on how many hours I shoot and how jam-packed your wedding day is!

If we don't want an engagement session, will the package be cheaper?

My packages are priced based on hours worked at the wedding, so everything outside of that is "complimentary" and removing it will not effect your price. If you do not want an engagement session, you can replace it with coverage at your bridal shower, rehearsal dinner, or save the session for your anniversary!

Do you photograph same-sex weddings?

A million times YESS!!! LGBTQIA+, no matter how you identify and regardless of how you define your relationship, I'd love to be a part of your wedding day. Love is love and I'm 100% here for it!

What happens if disaster strikes?

This has never happened and will NEVER happen. However, if it did, I have contacts all over the world that will be able to step in. These are other talented photographers who will take good care of you. Even if my entire network of photographers falls into a sinkhole on your day-of, the contract covers you completely in the case of a disaster. But I promise- this won't happen ;)

How will I receive my photos?

First, I'll send you a handful of sneak peek shots a couple of days after your wedding. 4 to 6 weeks later, you'll receive a link to your online gallery. Around the same time, you'll also receive a beautiful package in the mail with a USB, prints and a little thank you from me.

Do you photograph internationally?

HELL YEAH! Nothing excited me more than the opportunity to shoot a destination wedding or elopement. If you're thinking of taking your celebrations overseas, please get in touch so we can chat about the finer details.

FAQ

How long will it take to receive our photos?

It will take roughly 4 to 6 weeks to receive your final wedding photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images.

Can I print my photos?

Of course, I'd love for you to print your favorite photos! You can easily order prints and other fun photo gifts through your online gallery.

What if I have to cancel or move booking?

Life is complicated and the unexpected is to be expected. The deposit is non refundable as this helps to protect my business due to turning away all other booking for your wedding date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation. However, If you move your wedding, I will do everything in my power to make myself available or find you another photographer!

Do you have any vendors you recommend?

Yes, from years of experience in the wedding industry I have come to work with some of the best wedding vendors.

If you would like a specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.

How To Book

I'm so pumped, here's how you can lock me in for your wedding day

THANK YOU! I'm unbelievably excited and honored that you'd like to book me in as your wedding photographer. Let's get the party started!

SHOOT ME AN EMAIL AND WE'LL PLAN A CATCH UP

We can do this in person, or over Facetime/Zoom. During our catch up you can ask as many questions as you'd like and get a feel for what it'll be like working together. A bit like a blind date, think of this as your chance to feel me out.

MAKE A FINAL DECISION

There is zero obligation to book during our catch up, so no pressure whatsoever. I want you to feel 100% comfortable and confident in your booking once we've hashed out all the details. If you're in, I'm in! To finalize booking I require a 50% deposit and a signature on my contract- I will send all of the info to you on how to pay and sign once you've made the final call!

Please note that I do book out pretty far in advance, so it's best to get in touch with me sooner rather than later, to avoid any disappointment.

I look forward to meeting you soon. xo, Liz

LOVE NOTES AND KIND WORDS

Testimonials I've received from other couples

"We hired Liz for our wedding in May 2022 and she was one of the best decisions we made!"

From the very first email, she was amazing to work with. Quick communication, kind, excited for us, and organized!! She handled our timeline, went over it with us a million times, remembered everyone's names, took control in the best way, handled getting the permits for photos, kept calm when we had 5 minutes of rain and adjusted perfectly. Liz is the best, most professional, fun, go with the flow, organized photographer and friend!!! Would recommend her to anyone. In addition to all of this, her photos are STUNNING. I was speechless when I saw them.

- Kelsea & Jake

"Thank you Liz for helping to make the most wonderful day of our lives even more special by giving us these memories to look back on!"

We first fell in love with how she captures her pictures. She helped us find the perfect spot for our engagement session and she made us feel so comfortable taking pictures and they turned out better than we expected. She reached out many times in between the engagement session and our wedding day to make sure we didn't have questions and that we had all the information we needed to be ready for the big day! On the wedding day she was organized, professional, friendly and had a way of making my family and guest feel comfortable and at ease with every picture she took! She even sent us preview pictures the next day! We were so amazed at her work and would 100% recommend Liz to anyone who needs a photographer!

- Elysha & Matt

"We clicked right away & I felt like I made a friend as well! "

Liz fell into my lap when my previous photographer had to cancel on me for my wedding. I had looked over Liz's work and I will say, she was the only photographer I contacted who set up a FaceTime with me! Which I felt was so personal and we got to really chat. We clicked right away & I felt like I made a friend as well! She was so easy going to work with & was SO fun too! The turnaround time on our full gallery? The fastest. The gallery?! ABSOLUTELY PERFECT. So stunning! Liz caught so many fantastic moments. What a true blessing in disguise and having the ability to work with her!!
