Lactic Acid Peel 70 min \$90

- An alpha hydroxyl acid, one of the mildest peels you will ever experience leaves your skin feeling smoother and even toned. Great for sensitive skin types.

Signature Facelift Peel 70 min \$90

- Great for resurfacing dry and dehydrated skin and skin with redness. This peel has a beautiful blend of fruit enzymes, vitamin c and hyaluronic acid.

Salicylic Acid Peel 70 min \$90

- Designed for acne and oily prone skin, this peel exfoliates both the skin surface and deep within the pores helping to reduce the appearance of blemishes, scars, and uneven skin tone, improving the overall appearance and texture of the skin.

Lightening Lift Peel 70 min \$90

- Ideal for brightening and lightening pigmentation, photo damage/sunspots and melasma. This peel has a beautiful blend of lactic acid and kojic acid.

Glycolic Peel 70 min \$90

- Most known and sought after peel, this peel helps to reduce the appearance of dark spots, fine lines, wrinkles, and hyperpigmentation while tighten the pores and improving skin texture.

Wrinkle Lift Peel 70 min \$90

This powerful anti-aging peel diminishes fine lines and wrinkles using a signature blend of glycolic and retinol acids.

Perfection Peel 70 min \$90

This peel is designed for skin types with advanced aging, pigmentation, acne, and excessive fine lines and wrinkles. It uses a blend of salicylic, lactic, resorcinol and retinol acids to slough away years of damage and dead skin cells.

Jesner Peel 70 min \$90

- One of the stronger peels on the market, this peel is designed to improve more extensive skin damage than an alpha hydroxyl acid peel can provide. This peel will help to reduce acne, sun spots, fine lines, wrinkles, uneven skin tone and texture.

Microdermabrasion 70 min \$95

- This non-chemical, non-invasive procedure uses a spray of microcrystals to remove the outermost layer of dry, dead skin cells and reveals younger healthier looking skin. Will reduce the appearance of fine lines, wrinkles, scars and sun spots.

Microneedling 70 min \$85/\$65

- A collagen induction therapy, skin rejuvenation procedure that is minimally invasive involving a device that contains fine needles. Will improve skin texture, firmness, reduce the appearance of scars, pore size and stretch marks.

* Each client will have their own derma roller. Once initial treatment purchase of this device has been made, ongoing sessions will be at a reduced rate.

Skin Anomaly Removal 15 min \$100

- Using a cutting edge, state of the art machine that utilizes both low and high radio frequency that can treat epidermal skin imperfections such as:

Sun Spots/Age Spots
Spider Capillaries
Cholesterol Deposits
Fibromas
Unwanted Hair

Cherry Angiomas
Sebaceous Hyperplasia
Keratosis
