## A true Professional!

My hair and makeup was one of the most important items for my wedding - I wanted to get someone that I could trust to create the look I envisioned. Jenifer did an brilliant job, she is a true professional! Guests kept complimenting both my hair and makeup the whole day. Additionally, she was able to manage my large wedding party and family members – everyone was beautiful and on time! I recommend her to anyone I know getting married. - Joanne

## She makes the day even more special.

I was lucky enough to meet Jen years before I ever was engaged. The first time she did my makeup back in 2010 I KNEW I must have her be a part of my wedding one day....I was married last month and was once again reminded of why I adore her as much as I do. Jen is one of those people you instantly feel comfortable with. She is kind, fun, sweet and a PHENOMENAL hair and makeup artist. She did my wedding hair and makeup along with my four bridesmaids makeup. She doesn't just do your hair or makeup...she makes the entire wedding day even more of a special experience. Jen was prompt, organized and efficient! She is worth every penny and I've never had more compliments on my hair and makeup than I did that day! Cannot stress enough how perfect she is at her work! Book her! -Mallory

## Jenifer was a joy to work with.

I am so thankful to Jenifer for being a part of my dream team of wedding vendors! I can't imagine a more professional, talented, considerate, or kind person. Jenifer was a joy to work with and put me at ease right from the start. She did a fantastic job of taking my ideas into consideration and guiding me towards hair and makeup that suited my features and complemented my dress.

I absolutely recommend having Jenifer do hair and makeup for your wedding (or any occasion)! - Kristen

# FAQ

## **What are the Luxury service benefits vs. A La Cart services**

With years in the Bridal Business, working with my brides learning what their needs will be to help relive stress so that I can be the one to worry about touchups with hair and makeup placement of veil and all the little touches Throughout photos. The luxury package allows me to be the eyes while you are having photos taken especially if you are doing a first look or any pre - ceremony photos. This will happen several hours before the actual ceremony. I will also be there for the bridal party. We want you all to look as fresh as the moment we were done with your services.

## **Can you stay even if I book A La Cart services?**

Absolutely! I can stay for a hourly stand by rate of \$100 an hour. Time starts after I have finished booked services. Hourly rate stand by will need to have been booked with contract services.

## **Why do you only do Tuesday - Thursday Trial Previews?**

Weekends are for weddings only. I give all of me to my brides big day that it wouldn't be fair to do a preview for a bride after a wedding, I would have nothing left. Mondays are my office days so that I can run my full time bridal business successfully.

## **Makeup vs. Hair services?**

Both Makeup and hair are important but if you had to choose one I recommend choosing professional Makeup services. Having cohesive makeup for pictures is very important to achieve beautiful photos. Nothing worse than one person standing out other than the bride in pictures.

## **Do you charge an assistant fee?**

I can accommodate any number of makeup and hair services. I do bring a Bridal Beauty hair stylist at no charge for your bridal party hair if you have booked 5 hair services in addition to 5 makeup services, but if I need to bring an additional bridal beauty makeup or hairstylist to accommodate your timeline then a fee of \$250 per bridal beauty assistant to assist me will be charged to you ( due with final balance balance).

## **What do your services include?**

Each client that is booked for Makeup service application includes Airbrush makeup, full face makeup, false lashes if desired and a final waterproof spray to ensure long lasting makeup.

Each professional Hair styling service includes only the very best products that are purchased at a professional beauty supply.

## **What Makeup and Hair products do you use?**

I use only the very best Professional products in my kits. I have personally tried everything and continue to try new products to ensure the best product is chosen for the best and long lasting results.

PROFESSIONAL Makeup brands include MAKEUP FOREVER, Inglot, Temptu Pro, Kryolan, Cinema Secret, MAC Pro, Stila, Smash Box, Kett, VISEART, Ben Nye to name a few.

PROFESSIONAL hair brands include TIGI, Redkin, Sexy Hair, Schwarzkopf, Kenra, Aquage, Davines, and VERB

### **What is your travel rate and accommodations?**

Anything outside of the Sacramento area I have a travel rate. I have worked all over California and have a set fee for most cities. I take into consideration traffic and normal time it takes to and from any destination. This is something you would need to contact me for the fee quote. Hotel accommodations are required to any destination over a 3 hour drive the night before wedding services as this will assure I am well rested and make it on time for your services.

### **How do I secure my date with you?**

Wedding dates are not secure without a signed contract and deposit. Once you are ready to secure your date with me I will send you a contract to complete and send back with a NON- REFUNDABLE retainer fee.

A LA CARTE retainer fee \$ 200

LUXURY booking retainer fee \$400

**All rates are subject to change without a signed contract and retainer fee.**

### **When will my balance be due?**

Your remaining balance will be due the day of your wedding in form of CASH only upon arrival. If you prefer to pay by credit card or check then full balance due will need to be paid in full 30 days prior to wedding date.
