

**Frugal Barn Weddings** at WoodStock Stables, 4600 Sadler Road, Apopka, FL 32712

Hello, everyone! We have noticed that a lot of couples have been cheated out of their wedding day deposits due to the COVID-19 outbreak (since a lot of the deposits are non-refundable per the contracts), and we want to offer a reasonably-priced venue for your wedding where we help you DO IT YOURSELF or assist your wedding planners with the coordination!

We offer a “Farm/Barn-Themed Wedding” for a package price of \$2,500.00 to rent our small farm venue for the day (this can include the rehearsal dinner, wedding and reception). This is for ANY day of the week, including Sunday. The maximum is probably 50-100 guests, due to parking limitations on the property. Elopement packages are cheaper (1/2 day rate).

We assist with the following, no matter how large or small your wedding may be, whether you are doing it yourself or using a wedding planner/coordinator:

1. Set-up of chairs and tables and decorations that you rent or buy;
2. Wrangle any of our trained livestock that you want featured at the wedding or reception (i.e., we can outfit our donkey to wear coolers on her back to distribute bottled or canned beverages to the guests and wedding party at the reception; or use our small Shetland pony or trained sheep as the ring bearer in the ceremony; or whatever you can think of that we can do with the livestock for entertainment, or photo-ops, etc.);
3. Offer the use of our collectible cars available for photo-ops;
4. Assist the caterers with their set-up or assist you in your food/drinks set-up if you are indeed doing that portion for yourself; and
5. Offer the use of our Bridal Suite that includes indoor bathroom facilities, a full-size refrigerator and kitchen, etc. to use to house the wedding cake or whatever else you need to refrigerate or have prepared by the caterers onsite.

We can offer recommendations of the following companies to provide great rates for your needs to get what you need for the wedding:

1. All In One Bounce – great rates for rentals of chairs, tables, tents, dance floors, etc.

Our goal is to help you have one of the greatest days of your life at our facility AT A REASONABLE COST. We offer outdoor accommodations mostly, and limited indoor areas are available for the wedding/reception/rehearsal dinner if you want to do inside, only.
