2016 Wedding Package Pricing

Our wedding packages start at \$1600 & include full printing rights. All packages include an online gallery & a USB flash drive with full-sized high resolution files. My pricing is straightforward, you will not find any hidden fees. I encourage you to buy prints through me, but you have printing rights to print with a vendor of your choice. From the online gallery, your friends & family can purchase photos from the wedding or photobooth, or download free copies. To reserve the date, I require a \$400 non-refundable deposit, which is deducted from the package total. The remaining balance is due on or before the day of the wedding. I also take payments in installments throughout the year prior, if needed. Checks can be made to Ailecia Ruscin or Oh Snap! Photography & sent to PO Box 297 Lawrence KS 66044.
