PRICING GUIDE

## about me

*Hi! I'm Katie! I recieved a degree in Graphic Arts from Palm Beach Atlantic University, but discovered my passion for wedding photography right after graduation. Why switch careers right after walking the stage? Because photography enables me to be a part of a bigger story. Your wedding is probably the most important day of your life, and I have the opportunity to share in that celebration! It's also the beginning of a new journey and a new life as a married couple, and that is so exciting! I am honored to capture the first day, the very first moment of your marriage journey; and my hope and desire is to give you beautiful images preserving those moments in time, moments you will cherish forever!*
