Before we hop right into costs....

So many potential clients scroll right to how much everything costs, but let's talk about our why! Why have you chosen to hire a professional photographer for this event? Your phone can also take good photos! Chances are, you want the best experience you can have for this occasion, and I'm here to provide that for you!

Let's make this a fun date! I want to make you laugh, make you cry (in a good way), and make you express the love you have for each other. These photos aren't just for another instagram post, but ones you want to frame to celebrate the passion between the two of you. Photoshoots with me are all about fun and being authentic to you! I'm here to direct you and your partner to have gorgeous photos that look and feel like your relationship. When you look back on these in 20 years, I hope you're reminded of this fun experience, and how strongly you loved.

ABOUT ME

Hey hey!

I'm Meghan! I watch Twilight way too often, drink sparkling lemonade every chance I get, and if you see someone laying in the rain there are some strong odds it's me! I absolutely hate cheese (like I take it off my pizza) but you'll see me snacking on flavor blasted goldfish on the regular. Jumpsuits are my go to outfits 'cause they're so easy and comfy. (the other 85% of the time in yoga pants and sweaters though shhhh) I'm an indoor plant fiend; thankfully my thumb has turned green after quite a few dead plants in my teenage years...

I'm so fucking excited that you're here! Meeting utterly in love couples is my jam, and I can't wait to create this experience with you! I promise to be the best third wheel you could ever ask for. Trust me, I'm hilarious and not afraid to do stupid shit to get you two laughing!

Meghan is the most spectacular photographer and person! Not only does she capture beautiful moments, but she is so passionate and supportive. Her editing skills are extraordinary and her knowledge of the best poses and scenery really shows. My fiance is not the most enthusiastic person when it comes to getting pictures taken, but he was laughing and having a great time throughout the session. Meghan encourages you to be candid and goofy in your shoot! If you're looking to get some amazing pictures taken, I seriously recommend Meghan, you won't regret it!

TRAVEL

Hell yeah I'll travel!

You may have seen my instagram stories or other posts and realized they aren't all taken in the salt lake area. That's because I love a good road trip! I'm happy to go literally anywhere (seriously, I have two passports) Travel fees kick in if your location is over an hour drive. Here are some rough estimates, but lets settle on a location and I'll give you an exact quote!

I'll drive myself up to four hours away for a \$50/hour travel fee.

If the location is over two hours away, I charge for lodging which usually starts at \$120+

There are some excpetions to the Portland, OR area since I have family there! We can chat about that if you're intrested x

FAQS

How many images will we receive?

All the packages list the minimum photos I'll give back! I always send all that turn out, but cull out any that are blinking, duplicates, or if someone is making a weird face!

Do you travel for photoshoots?

Hell yeah! Check the "travel" section and email me if you have any other questions! We can pick a location and I'll give you an exact quote

What's in your camera bag?

I have two cameras (just in case something happens to one) multiple lenses, batteries, and memory cards! My back ups have back ups.

FAQS

How long have you been a photographer?

I have loved photography for as long as I can remember! One of my photos was in National Geographic Kids about a decade ago... I started professional portrait photography about three years ago!

Can we meet you before booking?

Of course! I love saying hey and making sure we're the right fit! I'm up for a coffee around Salt Lake, or I can schedule a zoom call.

What should we wear for photos?

I can send Pinterest boards and outfit gudes to you! It's definetly important to wear something you're comfortable in. Focusing on your outfit and adjusting it constantly will make the session more stressful than need be!

FAQS

What if we need to raincheck or cancel?

Cancellation or moving the date is all outlined in my contract! There are small fees if it is short notice, and all retainers are non-refundable (however they can be used towards a new session.) If the weather is bad, we can move the date, no cost!

Do you give us all of the RAW files?

Nope! Giving out unedited photos is like handing you the fabric when you ordered a t-shirt. I make sure that everything I send to you is perfect and is a finished product! I never hide any photos I think you'll love. The only ones I don't include are blurry, blinking, or weird ones that were taken with my boob (my camera is touch screen.....sometihmes it happens!)

“Meghan was super considerate of keeping us comfortable and getting awesome and unique shots. She had them edited lightening fast and they all turned out GORGEOUS! I would absolutely recommend her, especially if you're looking for an LGBTQ+ friendly photographer!

how to BOOK ME

Now that you've got the lowdown, let's make this a thing!

Here's what's next:

- 1 Get a hold of me, ask me as many questions as you want, and you and I will get right into figuring out if we're made for each other the way that I think we probably are (especially if you made it all the way through this guide)!
- 2 Once you are all set and ready to book, I'll shoot you a contract so we can make it official. It's 50% to lock-in the date, and 50% 7 days prior to the photoshoot.
- 3 I'll shoot you a questionnaire so that I can get the creative wheels in motion as I begin to envision our shoot and the most authentic way to capture your whole true self!

LET'S MAKE SOME MAGIC TOGETHER -
BECAUSE THE GOOD OLD DAYS DESERVE TO
LAST FOREVER.

I LOOK FORWARD TO HEARING FROM YOU!
