JUST THE BASICS/ELOPEMENT COVERAGE

You're not basic, just the amount of coverage will cover the basics of your big day. This package starts with a quick pre planning meeting about 2 weeks before your event. This day of coverage is for two (2) hours by one photographer. This will typically gives us time to do a few detail photos, the solo photos of you and your partner, a few formal photos of your party, your wedding ceremony photos and a few after ceremony posed couple images. Fully edited online gallery with 50+ images.

**STARTING
AT \$650**

MINI WEDDING DAY

When you are excited but just not wanting a photographer all day? Or a vow renewal coverage? This package is customized to hit the important part of the day. This package includes a ini Engagement session (30 minutes) with edited online gallery. Pre wedding day planning meeting 3+ weeks before event. Five (5) continuous hours of event coverage with one photographer. You decide on what parts of the day are to be covered, do you want getting ready, formal photos and ceremony photos? Or formal photos, ceremony and reception? Fully edited online gallery with 200 images.

DREAM DAY

As a bride, all of the moments are precious. You want it all covered, from the flat lay details all the way to end of the night exit? This is it, all of it. Starting first engagement session, up to two (2) hours and your special location. Online gallery of your favorite thirty (30) edited engagement images. Pre Planning meeting to create your custom timeline for the day of wedding coverage. Your day of wedding coverage is photographed up to eight (8) continuous hours with one photographer capturing your formal and candid moments. Online fully edited gallery with 600+ images.

**PACKAGES
STARTING
AT \$2800**

DREAM DAY+

This is the little extras to the dream day package. Everything listed in the dream day but so much more! Besides the engagement session, you get your choice of printed metal art from the session. You want to have an album, that is included. Have a favorite photo from your wedding with you and your partner? Printed canvas is included. Want to have a hard copy of your photos? We'll put all of your photos from engagement and wedding downloaded on your custom wedding USB drive.

YOUR ADVENTURE AWAITS

Unsure what type of coverage your are needing? Do you want to travel to the mountains and take beautiful engagement photos? Are you going to elope in a beautiful location? Cool, let's go do it! I have my passport so am ready to go! Let's create a plan specially for you and your partner and capture those memories for you. We will meet as soon as possible and start making a plan specifically for you.

*** All packages listed above have a base number of images and typically will include many more. We take hundreds of photos to ensure that your gallery is filled with beautiful edited images. Not all images make the cut but that is because we work hard making sure those that do really capture your moments best! ***
