Photo Strip Scrapbook

Capture the *intimate*, the *hilarious* and the *unexpected!*

Add a little fun and laughter to your next event with a photo booth rental. Guests of all ages will have a blast capturing moments and instantly sharing their photo strips with friends and family. Two high-quality photo strips are printed of each four- or three-pose session. Finally, a party favor that won't get thrown away! And with unlimited sessions, guests can return throughout the evening to take photos with all their friends! A photo booth rental is the ultimate way to turn any occasion into a lasting memory! We believe you deserve the very best and that is exactly what you'll get. We understand the importance of this special occasion in your life and are committed to making your memories last a lifetime. Our professional hosts will delivery and set up the booth and ensure that you and your guests are entertained while using our services to its maximum potential. We take care of everything from start to finish!

Perfect for Weddings

Avoid the hassle and wasted film that often results from disposable cameras at tables. Our professional quality photos are printed in less than 15 seconds, providing immediate gratification to guests. To top it off, our high resolution photos are uploaded to an online gallery after the event, so you can reprint your favorites – even in larger sizes!

Perfect for Mitzvahs, Quinceneras, and Sweet 16's

Children and young adults can't get enough of taking silly photos with friends. Your kids will be raving for months about the fun they had in our booth!

Perfect for School Events or Reunions

From dances to graduation parties to sorority/fraternity events and school reunions, a photo booth is the perfect way to liven up an event!
