### WEDDING REVIEWS

"The Manor Vail was the best decision I made for my wedding! I had a very small event with only 25 guests but I was never treated like a small event - I feel I would have gotten the same excellent service with a 250 guest event. The Aspen Room was a beautiful, perfect fit for my small wedding reception and the food was AMAZING! The guest rooms were large and comfortable and my guests raved about the free hot breakfast. The sales staff answered my questions quickly and the events staff was awesome to work with to make my dream wedding come true. I would highly recommend Manor Vail to anyone looking for an event, large or small!"

"We had an outstanding experience working with the team at Manor Vail for our rehearsal dinner, a reception party, and lodging for our guests. Food was exceptional! Fresh, hot, and delivered on time. Our guests also enjoyed the complimentary full breakfast. Lots of options, a full breakfast buffet including omelet station. Rooms exceeded expectations! They were gorgeous. I had been expecting "Nice" but "Gorgeous" was even better. We also felt the price was very reasonable. A two night minimum was required but we did not have difficulty meeting that"

"5 STARS!! We had a gorgeous winter wedding in the heart of the property, the snow-covered lawn in the center of the manor. Our ceremony photos with the manor and the mountain in the background were so remarkable. Our reception was in the Fitz bar and restaurant. The ambiance was perfect and the food absolutely delicious. Their pastry chef also made the most amazing wedding cake! The staff was so great to work with, and they seemed so excited to make our big day the best day ever."

"The Manor Vail Lodge exceeded our expectations all the way around. I would highly recommend this venue. We had our Sons Wedding "Welcome Reception" at the Fitz Restaurant with about 85 guests. Jessica and Bree were a delight to work with, just awesome! The venue was super fun, the food was amazing and our guests only had positive feedback. Everyone at the Manor Vail was 100% professional. It was a perfect evening and we couldn't be happier!"

"My Husband and I selected Manor Vail Lodge for our Wedding Venue not only because the venue is spectacular, but also because everyone on staff goes above and beyond to make you feel special and welcome. We were truly in good hands from day one. I can't think of any item they didn't attend to with detail and care. Our Ceremony was set up beautifully, and from there our guests were directed to the back porch of the Fitz Bar for a wonderful happy hour. Our guests were treated like stars and our grandparents and parents felt honored and special."
