

WEDDING DAY COORDINATING

90 Day Planning Meeting

This meeting is for us to go over details and get an idea of what we have done and what we still need to do. This meeting is scheduled approximately three months before your big day and will last approx 1 1/2 hours.

3 Week Finalization Meeting

This meeting is to fill in any gaps from our first meeting that we haven't filled in yet. This meeting is scheduled approximately three weeks before your big day and will last approximately 1 hour.

Rehearsal Coordination

I will arrive at the venue 30 minutes before the rehearsal time to go through decor you have provided and discuss the ceremony as well as go over the wedding rehearsal form provided to you at the finalization meeting. I will coordinate the rehearsal which will last approximately 1 hour

The Big Day

I will arrive 2 hours before the ceremony for setup and vendor coordination, coordinate the entire event start to finish, and stay up to an hour after the event for breakdown- up to 10 hours of service.

In addition to the above mentioned guaranteed services, I provide all my brides with my personal phone number and email so we can be in constant communication via text, call, or email whenever necessary. I also email and call all vendors in the weeks leading up to the event to make sure we are all on the same page.
