Our DJ service offers four distinctive packages for your Special Wedding Day

Silver Package - \$2000

This package is our most popular package. This package will be perfect for any wedding with up to 300 guests. It includes: a full light show, a full sound system, one wireless microphone, one DJ, **and no hourly limit!**

Gold Package - \$2400

This package is for a larger wedding (300+) or for the couple that wants extra sound and lights. The Gold Package will have your guest's talking about your wedding for years to come. This package contains more lights, and more sound providing the ultimate experience for your special day. The Gold Package includes extra sound including bass bins for superb sound, an intelligent light show, one wireless microphone, one DJ, **and no hourly limit.**

Budget Package - \$300 per hour

This package is for the couple looking to have a premium wedding without the premium price. We understand that times are hard, and the costs of weddings are astronomical. That is why we have developed this package. If you are planning on having a shorter reception than this is the package for you. It includes: a full light show, a full sound system, one wireless microphone, one DJ. There is a three-hour minimum time requirement, and any extra time will be billed at \$300 per hour in ½ hour increments.

DJ/Ring Roamer Combo - \$2700

This package is for the couple that does not want to have to deal with multiple vendors and have the best in DJ performance and a Professional “photo booth” type entertainment at a discounted price! The Ring Roamer is the new hit at all weddings. It is a portable photo booth run by an attendant who mingles throughout the party and allows guests to take fun photos all night long. Think Photo Booth meets selfie stick with fun filters and add-ons. At this price, you get everything that the silver package offers, and the Ring Roamer for 4 hours, It's a great deal!

And still No Hourly Limit for DJ'ing
