Catering Information and FAQ's

All weddings are different, and at the Hilton Garden Inn, we celebrate the differences and preferences of our brides and will work with you to create a perfect wedding day. We invite you to sit down with our Staff to discuss your questions and concerns, along with a tour of our beautiful facility.

What is provided?

We provide all tables, chairs, white linens, glass and flatware, skirting, candles for the tables and a dance floor. Our professional banquet staff sets up the room and tears it down afterwards. We want to make this day easy for you and your family by doing all the work for you.

What type of food is offered?

Our Executive Chef has developed menus for your consideration. Our Catering and Culinary team will also sit down with you personally to develop a menu designed with your specific tastes in mind. We are able to provide plated meals, buffets or heavy hors d'oeuvres depending upon your preference and budget.

What about the bar?

We offer cash bars and hosted bars, or a combination of the two depending upon your preference. There is a \$175 set up charge for full bar service and a \$75 set up charge for beer and wine. You may bring in your own wine and/ or champagne if you desire, and a corkage fee of \$10/bottle will be charged for handling and serving your wine. No other beverages may be brought into the facility. House wines begin at \$24/bottle.

May I bring in my own food?

We do not allow food to be brought in other than the wedding cake.

Catering Information and FAQ's

What decorations are provided?

We offer complimentary mirrors, hurricane globes, and candles for centerpieces. You may supplement these with flowers or make arrangements to supply your own centerpieces, but we ask that you keep in mind that any flame (candle) must be enclosed in glass. We invite you to decorate the room in any way that you wish, provided that you do not secure anything to the walls or ceilings with unapproved tape, tacks or nails. Confetti and glitter are not allowed. The hanging of decorations from the ceiling is required to be done by our facilities staff and will incur an additional labor charge of \$150.00.

Service Charge and Minimum Charges?

All prices are subject to 20% set up fee. (Others may refer to this charge as gratuity.) You may select the Hilton Garden Inn Wedding package priced at \$2,500 plus food, beverages and service charge. A floor plan is enclosed to show you the basic layout of the space, although please remember in looking at the numbers on this chart that they do not provide for space taken by dance floors, head tables, food tables, etc. Our Special Event Manager will assist you in determining the amount of space needed for your reception.

What is the Payment and Guarantee Policy?

A non refundable deposit of \$500 is required to hold the space. 50% of the estimated balance is due 30 days prior to event date. Final payment based on the final count is due three business days prior to the event. Any balances due as a result of changes or additions made during the event are due in full the day of the event. A guarantee with final guest count is due (3) three business days prior to your scheduled event. If no guarantee is received, your expected number will become your guarantee. Once this number is given, it is not subject to reduction.
