

With beautiful invitation offerings from 10 different collections as well as the option for custom design, Staccato is proud to offer wedding paper to suit nearly any style and budget.

Your unique wedding package will be tailored to your needs with your preferred papers, print methods, embellishments, and add-on services. The chart below is a quick reference to show average pricing for various print methods from our most popular collections.

	<i>Starting Price Per 100 Sets</i> 5x7 Invitation Response Card & Printed Envelope Main Envelope with Guest Addressing
Digital Flat Printing	\$600+
Thermography*	\$775+
Letterpress*	\$1000+
Foil Stamping*	\$1525+

* specialty printing methods offer varying pricing based on quantity. Fewer than 100 pieces would be priced higher "per piece" while larger quantities would be lower.

The possibilities for your customized package are nearly endless including changing the size, mixing print methods, upgrading to extra thick papers, adding edge painting, die cut shapes, pockets, boxes, and so much more. Helping you make the most of your stationery investment is our goal by offering suggestions that make a big impact within the price point that is most comfortable for you.
